New Sidewalk Construction on Milner Avenue Between McCowan Road and Scunthorpe Road

Contract #: 18ECS-TI-105LR

Expected Start Date: Summer 2018

Expected End Date: Winter 2018

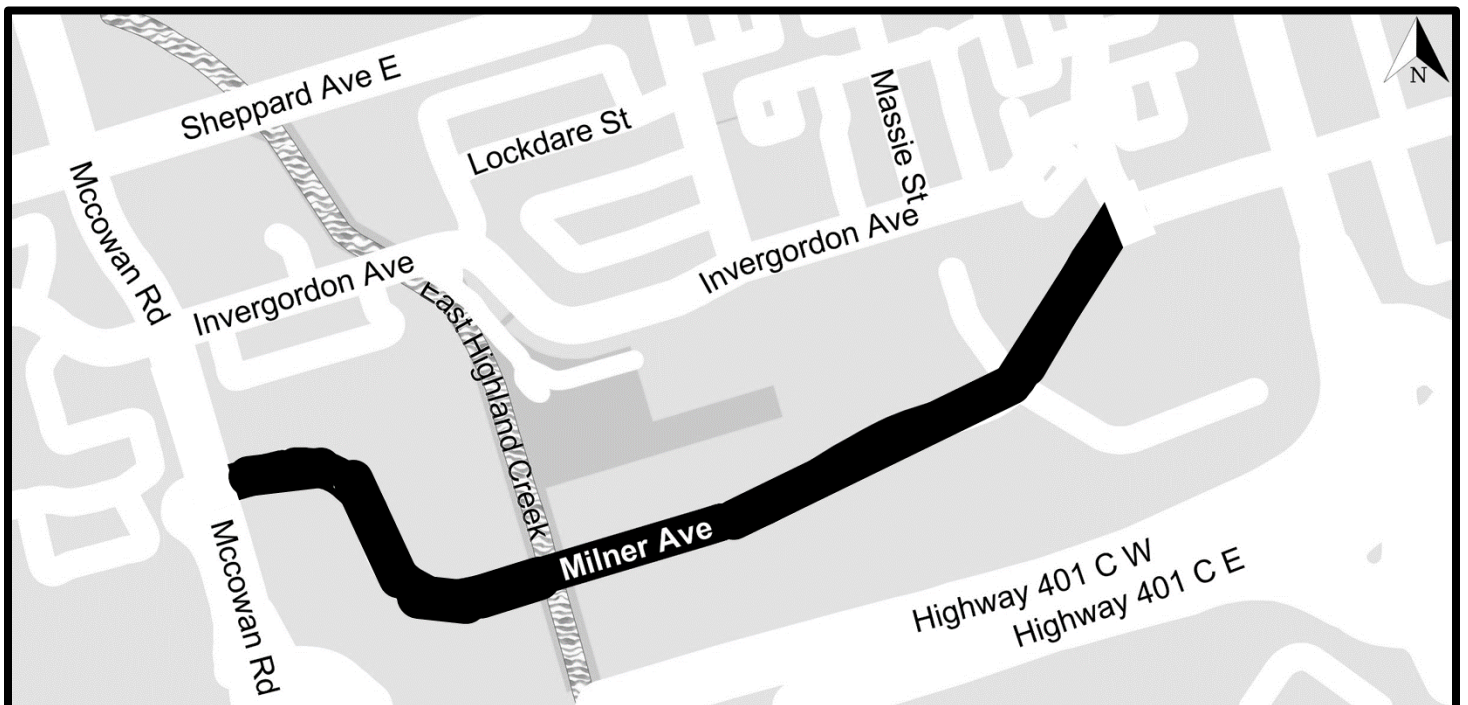

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to construct new sidewalk on Milner Avenue from McCowan Road to Scunthorpe Road.

The work includes constructing a new sidewalk, as well as curb and gutter at localized locations, on the north side of Milner Avenue.

This work is part of the Council-approved 2018 Capital Works Program to address the present and future needs of pedestrian mobility.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard in front of commercial properties is expected. This work includes removing and replacing driveways and boulevards, where necessary.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and or decorative objects before work starts. If you have a sprinkler system within the boulevard, please contact the Field Ambassador listed below.

	<p>Pre-Construction Inspection: The contractor will survey all properties within 30 metres the construction area before construction starts. Participation in the survey is voluntary; however, participating is important in determining if the construction caused damage. The inspection will look at both the interior and exterior of all properties to verify existing conditions. All inspection staff will be wearing photo identification and carrying photographic equipment during their work.</p>
	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Field Ambassador to arrange for access during the construction period.</p>
