The appropriate City Officials are authorized and directed to take the necessary action to give effect thereto.

Comments	<p>The Developer approached TPA to negotiate a parking development arrangement involving the acquisition of a portion of the Property as part of its development proposal. TPA and City Real Estate Services have since negotiated the major business terms of a parking development with the Developer involving the Property and adjacent lands owned by the Developer at 234 Simcoe Street. At its meeting of April 24, 25, 26, and 27, 2018, City Council authorized the sale of the Property save and except for a strata area sufficient to accommodate an underground parking garage, to the Developer. This transaction will involve the sale of the Property to the Developer and the Developer constructing on its own lands (and conveying same to the City) and on the retained portion of the City lands an underground public parking garage. The Developer will also construct a mixed-use residential condominium development consisting of retail and office space and public parkland</p> <p>While the necessary agreements are being negotiated and finalized, the Developer has requested that the City consent to the submission of its site plan approval application in respect of the Property. The Developer will only be able to act upon site plan approval, if granted, upon the approval by the City and execution of the necessary agreements related to the use of the Property by Developer</p>
Terms	The letter of consent to be provided to the Developer will expressly state that the City's consent is being given solely in the City's capacity as land owner and that by giving such consent, the City shall not be deemed to support or endorse the planning merits of the Developer's applications nor to fetter City Council's discretion in any way. The Developer shall be required to assume all risk, cost and expense associated with the application.
