General Conditions ("GC")

- The local Councillor (or local Councillors if the subject property is located on a ward boundary or if the transaction involves an exchange of properties in more than one ward), will be consulted prior to the exercise of delegated Approving Authority by staff for all Acquisitions, Disposals, Land Exchanges and Leases. In the event of a vacancy in the Ward in which the subject property is located, the Mayor's office shall be consulted in the alternative.
- Where approving power has been delegated to staff, the Deputy City Manager, Internal Corporate Services, in consultation with any other applicable Deputy City Manager or the City Manager, may determine that such matter is of such special interest that same should be returned to the relevant Committee and Council for consideration and determination.
- Exercise of delegated authority is subject to all applicable Council policies, statutes or other applicable law.
- Authority to approve financial commitments/expenditures is subject to all amounts being available in an approved budget, or funding being available from third party sources, except for "Strategic Property Acquisitions" as set out in EX44.22 adopted by Council August 25, 26, 27 and 28, 2014, which identifies alternative funding mechanisms subject to additional approval requirements.
- Property interests are to be based on appraised value, and no interest shall be granted at less than market value unless otherwise specifically authorized.
- Authority to approve transactions at less than market value is subject to statutory anti-bonusing provisions.
- Total compensation means the aggregate of all types of payments, including land value, estimated clean-up costs, potential arbitration awards, loss claims, etc., but exclusive of any applicable taxes and registration costs.
- Authority to acquire property is conditional upon provision being made to bring the property into compliance with applicable MOE or other requirements such that it will be fit for its intended municipal purpose, except for property acquisitions of 50M² or less for transit shelter purposes.
- Authority to initiate the permanent road closure process in **A.4** is conditional upon confirmation by the GM of Transportation Services that it is feasible to permanently close the highway.
- Disposal authorities in **A.7** are subject to the property having been declared surplus, and the disposal policy complied with.
- Land exchanges, except for those in **A.8**, may be authorized based on the delegated Approving Authority for disposals in **A.7**.

- Authority to approve an exchange of land in **A.8** is conditional upon confirmation by the Chief Planner and Executive Director of City Planning, and the GM of Parks, Forestry & Recreation, that the land being exchanged is (i) nearby land of equivalent or larger area, and (ii) of comparable or superior green space utility.
- Approving Authority in **A.9** Leases (City as Landlord) but not Licences (City as Licensor) is limited to periods (including options/renewals) of less than twenty-one (21) years, as leases of 21 years or more may be authorized based on the delegated Approving Authority for disposals in **A.7**.

- Where options/renewals are included in leases, if the renewal rent is to be determined at a date later than the original approval date, total compensation is to be calculated as though all options are exercised, estimating the renewal rent based on the highest rent payable in the first term of the lease.
- Total compensation in leasing matters where the City is landlord (**A.9**) or tenant (**A.10**) is to be calculated from the date of approval pursuant to this delegation (ie. first allowing for the expiry of any prior approvals, whether by Council or a delegated authority).

- Approving Authority includes authority for amendments within the parameters of the delegated Approving Authority, the cumulative total of which may not exceed the delegated financial limit.

- Where Approving Authority has been delegated to the Manager level, such authority shall be conditional upon the Manager first having secured the written concurrence of a second Manager within the Real Estate Services Division.
- Where the City is transacting with a public agency, and such agency requires that an unqualified environmental indemnity be granted by the City, the authority to acquire property includes authority to grant such an indemnity, provided that the Phase I and Phase II environmental site assessments undertaken on behalf of the City have identified no significant environmental impacts or human health threats, with no, or minor action required ("Low Risk").
