TTC Track Intersection Renewal at Dundas Street West and Lansdowne Avenue & City Road Resurfacing on Dufferin Street from Bloor Street West to Dundas Street West

Contract(s): 18ECS-TI-08SP / 18ECS-TI-08MR

Start Date: September 2, 2018

End Date: November 30, 2018

**Content/dates subject to change.*

The City of Toronto and Toronto Transit Commission will be renewing aging streetcar tracks at the intersection of Lansdowne Avenue and Dundas Street West.

The City will also resurface Dufferin Street from Bloor Street West to Dundas Street West. Our inspection of the road shows that it needs repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

Motorists are reminded to abide by traffic/construction signs posted in local areas to ensure the safe travel of all local road users, pedestrians and cyclists. This work is required to bring the track infrastructure and City's road to a state of good repair. These projects are part of the Council-approved 2018 Capital Works Program.

Dundas Street West and Lansdowne Avenue

From 7:00 A.M. Sunday, September 2, 2018 - 6:00 A.M. Friday October 5, 2018 the intersection of Dundas and Lansdowne will be fully closed.

Dufferin Street between Bloor Street West to Dundas Street West

Dufferin Street will have one lane in each direction from Bloor Street West to Dundas Street West starting on **September 10, 2018 to November 30, 2018.**

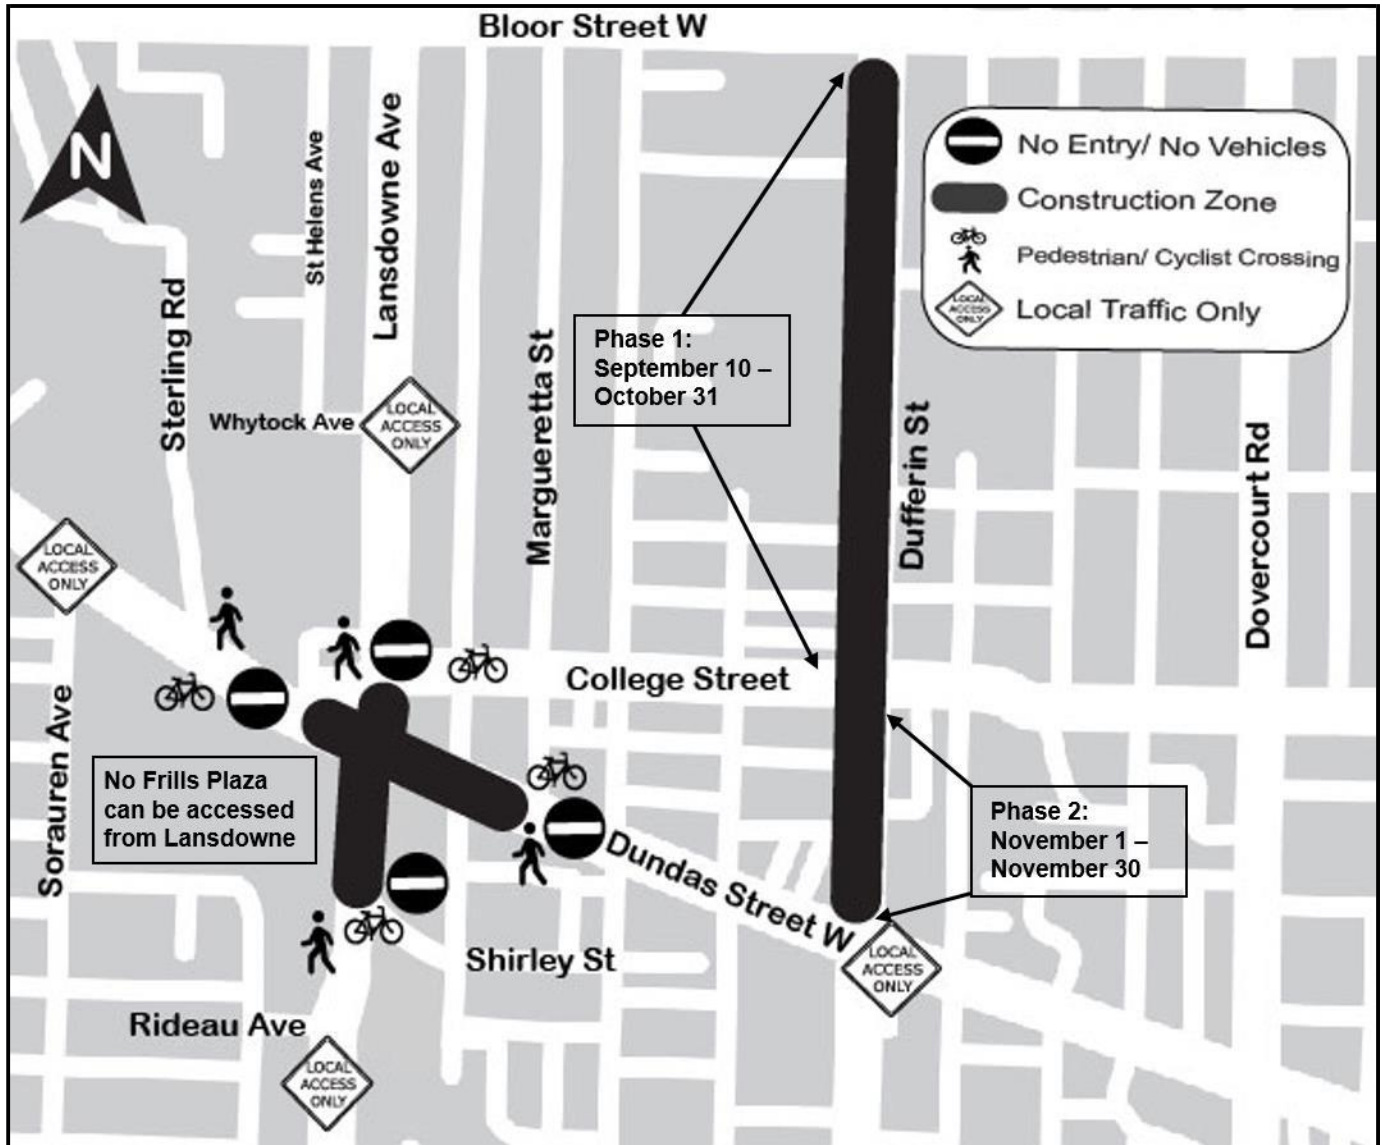

Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.

Dundas Street West and Lansdowne Avenue

- **The intersection will be fully closed.**
