Local Access During Reconstruction of Dunbloor Road October 1, 2018 – December 2018

Contract: 16ECS-TI-01SP

The City of Toronto continues reconstruction of the Six Points Interchange. Work is taking place southeast of Bloor Street and Kipling Avenue (former Westwood Theatre lands), and at locations along Bloor Street West, Kipling Avenue, Dundas Street West, and Kipling access ramps.

This project is part of the Council-approved 2016 - 2025 Capital Budget and Plan, and supports the development of Etobicoke Centre as a vibrant mixed-use transit-oriented community. **Please refer to the News & Construction section of the project webpage for more information regarding Ongoing Work and to find suggestions for alternate travel routes: toronto.ca/etobicokecentre.**

TRAFFIC UPDATE MAP

Important Note:

Starting the week of October 1, 2018, Dunbloor Road will be closed to vehicle traffic. This work includes Dunbloor Road and the intersections at Dundas Street West and Bloor Street West. Work will involve installing a permanent roadway, median, new sidewalks and bike lanes, as well as start the preparation needed for future traffic signals at the north and south ends of Dunbloor Road that should take place in Fall 2018.

Local vehicle access will be maintained at all times to Summerland Terrace from Dundas Street as construction progresses into Fall 2018. Pedestrians will have access to a sidewalk along the east side of Dunbloor Road, adjacent to 11 Dunbloor Road during construction.

WHAT TO EXPECT DURING CONSTRUCTION

You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. Your patience is appreciated.

	Work Hours: Work will take place from 7:00 am to 7:00 pm., Monday to Friday, subject to safe weather conditions, with work after hours and on weekends as required and approved by the City.
	Road and Sidewalk Access: In order to complete the work in a safe manner, there may sidewalk restrictions within the construction work zone. Sidewalks will be maintained in accordance with accessibility needs, with adequate signage placed in advance of any sidewalk restrictions. Access for emergency vehicles will be maintained at all times to 11 Dunbloor Road.
	Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. These efforts include adding Local Access signs, revising traffic signal times. Road users should expect delays and increased traffic on nearby streets.
