## Road Resurfacing on Dufferin Street South Ramp from Dufferin Street to Yorkdale Mall

**Expected Start Date: Summer 2018**

**Expected End Date: Winter 2018**

*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to resurface the Dufferin Street South ramp. Our inspection of the road shows that it needs repaving and sections of damaged curb need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2018 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

### MAP OF WORK AREA

## WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard along properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and or decorative objects before work starts. If you have a sprinkler system within the boulevard, please contact the Project Manager listed below.

	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, etc) must contact the <b>Project Manager</b> to arrange for access during the construction period.</p>
