Comments
 In light of unprecedented service demands for people experiencing homelessness, the Shelter, Support and Housing Administration division (SSHA), CreateTO and Real Estate Services division (RES) of the City of Toronto have been working to identify new locations for year-round emergency respite and refugee services, particularly in and around the downtown area. So far, City staff have explored numerous downtown options, including vacant City lands, as well as leasing and acquisition opportunities. At this time, it has been determined that 351 Lake Shore Blvd E a property which is currently owned by DREAM is the best option for a downtown Emergency Respite location in the downtown east neighbourhood and best meets the needs of SSHA.
