**Contract: 18ECS-TI-15LR**  
**Start Date: October 15, 2018**  
**End Date: November 30, 2018**  
**Revised End Date: Spring 2019**  
*\*Timeline is subject to change.*

Earlier this year, the City was completing road resurfacing on Burnt Bark Drive and Treerun Avenue.

Given the temperatures and weather conditions, the City has worked out a plan with the contractor to complete the remaining work. In the coming days the contractor will tidy up the site and complete necessary work to bring roads to a state of good repair that enables winter operations. This work should be completed by Monday, November 30, 2018.

The remaining work will start and be completed in spring 2019; Construction Update #2 will be provided before the work starts again in 2019.
