

DELEGATED APPROVAL FORM DIRECTOR, REAL ESTATE SERVICES MANAGER, REAL ESTATE SERVICES

TRACKING NO.: 2018-353

Approved pursuant to the Delegated Authority contained in Executive Committee Item EX27.12, as adopted by City Council on October 2, 3 and 4, 2017 or, where applicable, in Executive Committee Item EX28.8, as adopted by City Council on November 7, 8 and 9, 2017. Prepared By: Sarah Corey Division: Real Estate Services Date Prepared: October 26, 2018 Phone No.: 7-4437 **Purpose** To obtain authority for the City to consent, as property owner, to an application for site plan approval by Diamond Schmitt Architects on behalf of the University of Toronto and University of Toronto Schools (collectively, the "Developer") in respect of the public lane located north of Washington Avenue, between Spadina Avenue and Huron Street (the "Lane"), to facilitate the proposed expansion and renovation of 371 Bloor Street West, which said expansion and renovation involves the eventual use of the Lane. **Property** The Lane is legally described as Lane PL 449 Toronto N of Washington Ave; City of Toronto, said lands being all of PIN 21211-0102 (LT) and shown as Parts 1 & 2 on Sketch No. PS-2017-004 (see "Appendix A") Actions Authority be granted for the City to consent, as property owner, to an application for site plan approval by the Developer in respect of the Lane. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto. **Financial Impact** There is no financial impact to the City providing its consent to the site plan application. Comments The Developer approached Transportation Services to review the feasibility of closing and selling the Lane to the Governing Council of the University of Toronto as part of their proposed expansion and renovation of the University of Toronto School located at 371 Bloor Street West. Upon confirmation from Transportation Services that it is feasible to close the Lane, a circulation to the City's Divisions, Agencies and Corporations was undertaken to ascertain whether there was municipal interest in retaining the Lane. No municipal interest was expressed, and the Lane was subsequently declared surplus (DAF 2018-069) and authority was obtained to invite an offer to purchase to be invited from the Governing Council of University of Toronto (conditional on City Council permanently closing the Lane, and subject to reserving and obtaining easements for existing utilities). As a condition of the surplus declaration, City Planning requested that the Developer's final site plan be submitted and approved prior to the City entering into an Agreement of Purchase and Sale with the Governing Council of the University of Toronto. The Developer has therefore requested that the City consent to the submission of its site plan approval application in respect of the Lane. The Developer will not be able to act upon site plan approval, if granted, until Council enacts a highway closing bylaw and ownership of the Lane is transferred from the City. **Terms** The letter of consent to be provided to the Developer will expressly state that the City's consent is being given solely in the City's capacity as land owner and that by giving such consent, the City shall not be deemed to support or endorse the planning merits of the Developer's applications nor to fetter City Council's discretion in any way. The Developer shall be required to assume all risk, cost and expense associated with the application. **Property Details** Ward: 11 University-Rosedale Assessment Roll No.: n/a Approximate Size: Irregular Part 1 382.6 $m^2 \pm (4,118.3 \text{ ft}^2 \pm)$ Approximate Area: Part 2 117.2 $m^2 \pm (1,261.5 \text{ ft}^2 \pm)$ Other Information: n/a
