Laneway Reconstruction On Rosemarie Popham Lane

Contract #: 18ECS-TI-105LR
Original Start Date: August 7, 2018
Original End Date: September 24, 2018
NEW Start Date: November 29, 2018
NEW End Date: December 21, 2018
**Timeline is subject to change.*

In August 2018, the City of Toronto installed a new storm sewer within Rosemarie Popham Lane. (See map)

In November, work crews will return to reconstruct 65m of a laneway.

We recognize that a project of this nature is disruptive to the community and apologize for the inconveniences caused by the delayed end date.

MAP OF WORK AREA

WORK DEATILS

In August, the contractor:

- Replaced the storm sewer.
- Did temporary restoration of the laneway.

Starting in November, the contractor will:

- Remove and replace the granular base, and place a new concrete surface along the laneway.
- Restore areas affected by construction.

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- Property owners should remove items located within City property limits, such as landscaping and / or decorative objects. The City will not be responsible for damage to any privately-owned items on City property.

	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work on weekends as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>The laneway will be closed for approximately 17 days starting November 29.</p>
	<p>Parking: Parking in the active work zone (Laneway) is not permitted due to space requirements for construction, equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at 416-808-2222.</p> <p><u>Temporary Parking Permits</u> will be provided for vehicles displaced from the laneway.</p> <p>In the event you receive a traffic ticket for on-street parking during this period of construction, you may choose to dispute your ticket following the process listed on the reverse side of the parking infraction notice. <i>You may use this notice as part of your defence for parking consideration during construction; however, the Field Ambassador does not have the authority to cancel any parking tickets.</i></p>
	<p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them.</p> <p><i>Please ensure that you label your bins with your address.</i></p>
	<p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Concrete, Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced.</p>
	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Field Ambassador to arrange for access during the construction period.</p>
