Expected Start Date: August 20, 2018
Expected End Date: November 30, 2018
Revised End Date: August 2019
**Timeline is subject to change.*

The City of Toronto will complete road resurfacing on Kingston Road from Manse Road to east of Lawson Road by December 14, 2018.

Given temperatures and weather conditions, the remaining portion of Kingston Road from just west of Morningside to Manse Road, Morningside Avenue from just north of Kingston road to North of Lawrence Avenue East, and intersection improvements at Kingston Road and Morningside Avenue will start in June 2019 and be completed by August 2019. A construction update will be distributed before work starts again in June 2019.

During the winter some electrical work may take place at the Morningside Avenue and Kingston Road intersection which will require some localized lane closures. This work is weather dependent and a notice will be distributed prior to work starting.
