**Revised End Date: Spring 2019**

*\*Timeline is subject to change.*

Earlier this year, the City was completing road resurfacing on Antibes Drive.

Given the temperatures and weather conditions, the City has worked out a plan with the contractor to complete the concreting, milling, paving and final restoration work in more favourable conditions.

The remaining work will start and be completed in spring 2019; Construction Update #3 will be provided before the work starts again in 2019.
