Affordable Housing Office

To enhance the health of Toronto's people, neighbourhoods, economy and environment by delivering funding and incentives, and by developing innovative housing solutions, to create and maintain safe, affordable, rental and ownership housing for lower-income residents. This will be accomplished by:

- Delivering federal, provincial and City affordable housing programs by working with the private and non-profit sectors to develop and maintain affordable rental and ownership housing, revitalize communities and create employment.
- Work with Shelter, Support & Housing Administration as Municipal Service Manager and with other City Divisions to ensure the effective and efficient use of government investments, in line with City priorities and other legislative and policy frameworks such as Housing Opportunities Toronto: An Affordable Housing Action Plan 2010 - 2020.
- Support the City Manager and Deputy City Managers in providing strategic intergovernmental relations and program advise on housing issues.
