## Watermain Replacement on Appletree Court

In June 2018, the City of Toronto distributed a Pre-Construction Notice about planned watermain replacement work on Appletree Court.

As a result of issues with securing funding for this work, the City will be deferring this project until spring 2019.

We apologize for the delay in this work and we appreciate your patience. The City will distribute a Construction Notice when the construction is rescheduled.

### MAP OF WORK AREA
