TTC Track Replacement and Road Resurfacing on McCaul Street from College Street to Dundas Street West

Contract: 19ECS-TI-08SP

Expected Start Date: Mid April 2019

Expected End Date: Late June 2019

**Content/dates subject to change. More details will be provided in a future notice.*

The City of Toronto and Toronto Transit Commission are renewing aging streetcar tracks, resurfacing the road and repairing sidewalks on McCaul Street, from College Street to Dundas Street West.

The construction work on McCaul Street will be completed in 6 phases. From April 23 to June 3 (phases 1 to 4) McCaul Street will be closed to through traffic. Some sections will be fully closed, while other sections will have local access only.

This work is required to bring the track infrastructure and City's road to a state of good repair and is part of the Council-approved Capital Works Program.

Note: TTC crews will weld new rail together and store it on McCaul Street before the April 23 start date. This advance rail work, tentatively scheduled to start on April 15, will occur on McCaul Street between Baldwin Street and Orde Street. Reduced traffic lanes and parking restrictions on both sides of McCaul Street will be required through the work zone. Details will be provided in a separate notice.

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark underground utilities, such as gas, water and cable.
- A Construction Notice confirming the phases will be delivered about 1-2 weeks before work starts.
- Work in the boulevards in front of homes and commercial properties is expected.
- Further notice will be provided to property owners who must remove items located within City property limits (boulevard).

	<p>Work Hours: Work on this project will take place 24 hours 7 days a week. Excavation activities and heavy breaking will be carried out at various times throughout the day. All concrete breaking activities will occur between 8 a.m. and 10 p.m. Concrete breaking work is the most disruptive and will typically last the first 1-2 days for each phase of the construction. Around-the-clock work during rail installation by TTC is required to preserve the integrity and quality of new rail and concrete. Overnight rail work by TTC may consist of moving new rail into position, rail installation and rail welding / grinding.</p>
	<p>Traffic Management: Motorists are reminded to abide by traffic/construction signs posted in local areas to ensure the safe travel of all local road users, pedestrians and cyclists. Efforts will be made to manage traffic and closures in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets during this work.</p> <p>From April 23 to June 6:</p> <ul style="list-style-type: none"> • McCaul Street will be closed to through traffic, local access is available • Some one-way side streets will be altered to two-way directions for local access • Parking will be restricted on several streets, please comply with signage <p>From June 4 to June 30:</p> <ul style="list-style-type: none"> • There will be one lane in each direction on McCaul Street for through traffic
	<p>Parking: Parking in the active work zone is not permitted. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. Please contact parking control for the location of your vehicle at 416-808-2222.</p>

	<p>Alternate parking arrangements have been made for affected residents and they will receive a separate notice. In the event you receive a traffic ticket for on-street parking during this period of construction, you may choose to dispute your ticket following the process listed on the reverse side of the parking infraction notice. <i>You may use this notice as part of your defence for parking consideration during construction; however, the Project Manager does not have the authority to cancel any parking tickets.</i></p>
  	<p>Road and Sidewalk Access: Sidewalks will remain accessible and pedestrians will be safely detoured around the work area to access local businesses.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. Access for emergency vehicles will be maintained at all times.</p> <p>Accessible Accommodation: Residents who require accommodation should contact staff to arrange for access during construction through the contact below.</p>
	<p>Deliveries: Businesses may want to consider adjusting delivery times as a result of the lane restrictions during this project.</p>
	<p>Businesses: will be open throughout construction. All are welcome!</p>
