## Bridge Rehabilitation Coxwell Avenue under the Rail North of Gerrard Street East

**Contract: 18ECS-TI-04BE**

**Expected Start Date: April 2019**

**Expected End Date: September 2019**

*\*Timeline is subject to change. Future notice to be provided.*

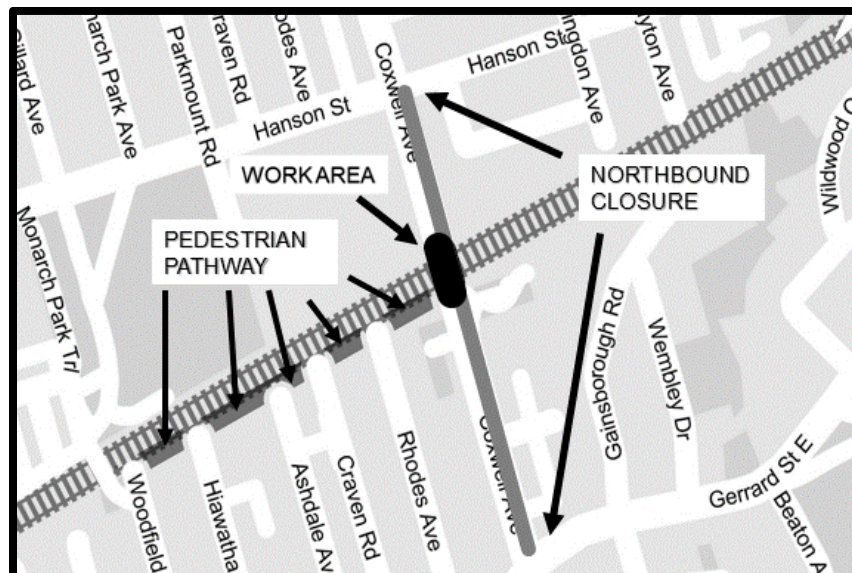

The City of Toronto is planning to rehabilitate the Coxwell Avenue bridge under Rail, south of Hanson Street, and repave and repair the pedestrian pathway south of the railway between Coxwell Avenue and Woodfield Road.

**To complete this work, there will be no NORTHBOUND traffic on Coxwell Avenue from Fairford Avenue/Gerrard Street to Hanson Street.** Access to driveways, businesses, and streets will remain open at all times, but will only be accessible from Coxwell Avenue southbound.

**The pedestrian pathway south of the railway will be CLOSED between Coxwell Avenue and Woodfield Road for a period of approximately three weeks during construction.** A more specific timeline will be provided in a future notice. Signage will be posted near the pathway to help guide pedestrians.

This work will ensure that the bridge meets today's standards and remains safe for vehicles and pedestrians into the future. The project is part of the Council-approved 2019 Capital Works Program.

### MAP OF WORK AREA

### WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and the road with the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.

- Affected properties will receive a Construction Notice approximately one month before work begins with more information about the work.

	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, clear sidewalk path, etc.) must contact the <b>Project Manager</b> to arrange for access during the construction period.</p>
	<p><b>Pedestrians Access:</b> The pedestrian pathway south of the railway will be CLOSED between Coxwell Avenue and Woodfield Road for a period of approximately three weeks during construction.</p> <p>Pedestrians wishing to cross Coxwell Avenue from the east sidewalk to the west sidewalk will be able to do so just south of the bridge at the pedestrian crossing or at the intersection of Coxwell Avenue and Hanson Street.</p>
	<p><b>Traffic Management:</b> Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p><b>To complete this work, there will be no NORTHBOUND traffic on Coxwell Avenue from Fairford Avenue/Gerrard Street to Hanson Street.</b> As an alternative to Coxwell Avenue, motorists will be directed to use Greenwood Avenue.</p>
	<p><b>TTC service of the 22 Coxwell (north/southbound) and 322 Coxwell (east/westbound) routes will be affected.</b></p> <p>Both buses will maintain their regular route until Gerrard Street East, then turn east onto Gerrard Street East and then northbound at Woodbine Avenue, westbound onto Danforth Avenue and then into Coxwell Subway Station (22 Coxwell) and Broadview Subway Station (322 Coxwell).</p> <p><b>Visit <a href="http://ttc.ca">ttc.ca</a> for accurate schedule / route information.</b></p>

**NEED MORE INFORMATION?**
