Prepared By:	Irina Fofanova	Division:	Real Estate Services
Date Prepared:	April 9, 2019	Phone No.:	416-387-0806

Purpose	To obtain authority to acquire part of the property municipally known as 65 Oakfield Drive, Toronto, (the "Property") from John D'Ermani (the "Owner") for open space and trail purposes.
Property	Rear of 65 Oakfield Drive, containing an area of 6,800 square meters, legally described as Part of Lot 6 and 10, Registered Plan 718, shown on the attached Appendix "B".
Actions	<p>It is recommended that:</p> <ol style="list-style-type: none"> The City accept the Offer to Sell and acquire the Property from the Owner, substantially on the terms and conditions outlined herein, and on any such other or amended terms and conditions as deemed appropriate by the Deputy City Manager and in a form acceptable to the City Solicitor. the City Solicitor be authorized to complete the acquisition on behalf of the City, including paying any necessary expenses, amending the closing, due diligence and other dates, and amending and waiving terms and conditions, on such terms as she considers reasonable; and The Deputy City Manager, Corporate Services, or their designate, shall administer and manage the Agreement, including the provision of any amendments, consents, approvals, waivers, notices, and notices of termination, provided that the Deputy City Manager, Corporate Services, at any time, may refer consideration of such matters to City Council for its determination and direction. The appropriate City officials be authorized and directed to take the necessary action to give effect thereto.
Financial Impact	<p>The following costs will be incurred by the City in connection with the Agreement:</p> <ol style="list-style-type: none"> Purchase Price - \$430,000.00 Land Transfer Tax (Provincial) - \$5,075 Environmental Site Assessments \$7,300 (approximately) Registrations Costs - \$400.00 (approximately) <p>Funding for these costs totaling approximately \$442,775.00 is available in the 2019 Capital Budget for Parks, Forestry and Recreation (CPR115-48-03).</p> <p>The Chief Financial Officer & Treasurer has reviewed this DAF and agrees with the financial impact information.</p>
Comments	The portion of the Property shown in Appendix "B" is proposed to be severed and acquired as it is appropriate for use as passive open space and can accommodate future trail connections along Mimico Creek to connect Berry Road Park, the hydro corridor open space, and Jeff Healey Park. A trail along Mimico Creek is only possible on the west side of the creek in this area, as the property layout and ownership pattern on the east side of the creek prohibit trail development. Securing a large portion of western lands today is a proactive step that can accommodate potential future formalized multi-purpose trail development.

General Conditions ("GC")

- (a) The local Councillor (or local Councillors if the subject property is located on a ward boundary or if the transaction involves an exchange of properties in more than one ward), will be consulted prior to the exercise of delegated Approving Authority by staff for all Acquisitions, Disposals, Land Exchanges and Leases. In the event of a vacancy in the Ward in which the subject property is located, the Mayor's office shall be consulted in the alternative.
- (b) Where approving power has been delegated to staff, the Deputy City Manager, Corporate Services, in consultation with any other applicable Deputy City Manager or the City Manager, may determine that such matter is of such special interest that same should be returned to the relevant Committee and Council for consideration and determination.
- (c) Exercise of delegated authority is subject to all applicable Council policies, statutes or other applicable law.
- (d) Authority to approve financial commitments/expenditures is subject to all amounts being available in an approved budget, or funding being available from third party sources, except for "Strategic Property Acquisitions" as set out in EX44.22 adopted by Council August 25, 26, 27 and 28, 2014, which identifies alternative funding mechanisms subject to additional approval requirements.
- (e) Property interests are to be based on appraised value, and no interest shall be granted at less than market value unless otherwise specifically authorized.
- (f) Authority to approve transactions at less than market value is subject to statutory anti-bonusing provisions.
- (g) Total compensation means the aggregate of all types of payments, including land value, estimated clean-up costs, potential arbitration awards, loss claims, etc., but exclusive of any applicable taxes and registration costs.
- (h) Authority to acquire property is conditional upon provision being made to bring the property into compliance with applicable MOE or other requirements such that it will be fit for its intended municipal purpose, except for property acquisitions of 50M² or less for transit shelter purposes.
- (i) Authority to initiate the permanent road closure process in **A.4** is conditional upon confirmation by the GM of Transportation Services that it is feasible to permanently close the highway.
- (j) Disposal authorities in **A.7** are subject to the property having been declared surplus, and the disposal policy complied with.
- (k) Land exchanges, except for those in **A.8**, may be authorized based on the delegated Approving Authority for disposals in **A.7**.
- (l) Approving Authority with respect to land located in the Designated Waterfront Area as defined in the *Toronto Waterfront Revitalization Corporation Act, 2002* is conditional upon the approval of the Director, Waterfront Secretariat.

- (n) Approving Authority in **A.9** Leases (City as Landlord) but not Licences (City as Licensor) is limited to periods (including options/renewals) of less than twenty-one (21) years, as leases of 21 years or more may be authorized based on the delegated Approving Authority for disposals in **A.7**.
- (o) Total compensation in leasing matters where the City is landlord (**A.9**) includes the value of tenant improvements if factored into tenant's rental payments.
- (p) Total compensation in leasing matters where the City is the tenant (**A.10**) includes the value of any tenant improvements to be paid by the City.
- (q) Where options/renewals are included in leases, if the renewal rent is to be determined at a date later than the original approval date, total compensation is to be calculated as though all options are exercised, estimating the renewal rent based on the highest rent payable in the first term of the lease.
- (r) Total compensation in leasing matters where the City is landlord (**A.9**) or tenant (**A.10**) is to be calculated from the date of approval pursuant to this delegation (ie. first allowing for the expiry of any prior approvals, whether by Council or a delegated authority).
- (s) Approving Authority in leasing matters includes authority to approve renewals/extensions within the parameters of the delegated Approving Authority.
- (t) Approving Authority includes authority for amendments within the parameters of the delegated Approving Authority, the cumulative total of which may not exceed the delegated financial limit.
- (u) Where proposed additional amounts in **A.13** exceed 10 per cent of the original decision, even if otherwise in compliance with all other conditions, then Approving Authority is transferred upwards to the next more senior level of Approving Authority having the relevant overall financial limit.

- (bb) Despite GC(n), Approving Authority in residential leasing matters is not limited to periods of less than twenty-one (21) years and total compensation in residential leasing matters where the City is landlord is to be calculated based on an assumed term of ten years unless the lease term expressly identified therein is longer.
- (cc) Where Approving Authority has been delegated to the Manager level, such authority shall be conditional upon the Manager first having secured the written concurrence of a second Manager within the Real Estate Services Division.
- (dd) Where the City is transacting with a public agency, and such agency requires that an unqualified environmental indemnity be granted by the City, the authority to acquire property includes authority to grant such an indemnity, provided that the Phase I and Phase II environmental site assessments undertaken on behalf of the City have identified no significant environmental impacts or human health threats, with no, or minor action required ("Low Risk").
