Extending McBride Lane and Intersection Improvements at Beecroft Road

Expected Start Date: May 2019

Expected End Date: Fall 2019

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto plans to extend McBride Lane to Beecroft Road. This work will also include installing a traffic signal and streetscaping work at this intersection. This project is part of the Council-approved 2019 Capital Works Program.

MAP OF WORK AREA

WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard in front of homes and commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.

	<p>Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Project Manager / Field Ambassador to arrange for access during the construction period.</p>
	<p>Access to Your Home: The City-hired contractor may need access to your home to complete a pre-construction survey. Affected properties will receive a pre-construction survey request to schedule a time to complete the survey.</p>
