New Sidewalk on Midland Avenue from Kilcullen Castle Gate to Passmore Avenue

Contract: 18ECS-TI-18MR

Expected Re-Start Date: April 4, 2019

Expected New End Date: May 3, 2019

**Timeline is subject to change.*

Last year the City's contract to construct new concrete sidewalk for missing links on Midland Avenue was delayed due to the time it took to get permission to cross a pipeline in the hydro corridor and the earlier arrival of cold temperatures.

In April, the contractor will return to complete the planned work on Midland Avenue from Kilcullen Castle Gate to Passmore Avenue.

This work is part of the Council-approved 2018 Capital Works Program to renew aging city sidewalks for current and future needs. We apologize for the inconvenience and thank you for your patience.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will:

- Dig up the boulevard and/or road surface
- Re-align catch basins
- Repair curbs, gutters and driveways
- Construct new sidewalks

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.

- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts include adding Local Access signs, revising traffic signal times. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>Southbound traffic on Midland Avenue will be reduced to one lane.</p>
	<p>Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage.</p> <p>This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Project Manager listed below.</p>
	<p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at 416-808-2222.</p> <p>In the event you receive a traffic ticket for on-street parking during this period of construction, you may choose to dispute your ticket following the process listed on the reverse side of the parking infraction notice. <i>You may use this notice as part of your defence for parking consideration during construction; however, the Project Manager does not have the authority to cancel any parking tickets.</i></p>
	<p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <i>Please ensure that you label your bins with your address.</i></p>
	<p>Restoration: Areas affected by construction will be restored.</p>
