## Road Resurfacing on Finch Avenue West from Humberline Drive to Humber River

**Expected Start Date: June 17, 2019**

**Expected End Date: July 20, 2019**

*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to resurface Finch Avenue West from 100m east of Humberline Drive to the Humber River. Our inspection of the road shows that it needs resurfacing and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2019 Capital Works Program to renew aging city roads, sidewalk and infrastructure for current and future needs.

### MAP OF WORK AREA

## WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark sidewalks and curbs requiring replacement and the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard in front of commercial properties is expected. This work includes removing and replacing driveways, municipal sidewalks and grassed boulevards, where necessary.
- Property owners should remove items located within City property limits (boulevard), such as landscaping and or decorative objects before work starts. If you have a sprinkler system within the boulevard, please contact the Project Manager listed below.

	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, etc.) must contact the <b>Project Manager</b> to arrange for access during the construction period.</p>
