

NOTICE OF CONSTRUCTION

Black Creek Trail at Shoreham Drive

Start Date: April 2019

Completion Date: September 2019

**Timeline is subject to change*

Toronto and Region Conservation Authority (TRCA), in partnership with the City of Toronto is preparing to undertake works in re-grading and paving of a trail located south of Shoreham Drive, east of Black Creek. The scope of work includes the construction of a 130m by 3m wide paved trail. The work will improve trail conditions and active transportation connections.

The project is to commence spring 2019, pending the receipt of the necessary permits and approvals. We anticipate the trail will re-open for public use in fall 2019, weather permitting.

To ensure public safety, the section of trail within the limits of construction will be closed for the duration of the work.

Please respect all posted construction signs and stay clear of the work areas and equipment. Your cooperation and patience is appreciated.
