WHAT TO EXPECT DURING CONSTRUCTION

- The community will experience dust, noise and traffic delays. We appreciate your patience.

	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>Traffic on Glen Road will be reduced to one northbound lane during the project.</p> <p>Please refer to maps below showing traffic management during each phase of work.</p>
	<p>TTC Service: This project may affect travel times on the 82 Rosedale bus; visit ttc.ca for accurate schedule information. Some bus stop locations may be temporarily re-located along Glen Road during construction.</p>
