| Purpose | To authorize the City of Toronto's (the "City") consent to the deletion of a restrictive covenant registered on April 17, 1963 as Instrument No. NY431042Z (the "Restriction") from title to the property municipally known as 44 Newton Drive. |
| Property | 44 Newton Drive, legally described as Lot 124 on Plan 2324 Township of York, Toronto (formerly North York) being all of PIN 10034-0103 (LT) and shown on Appendix "A" (the "Property"). |
| Actions | <ol style="list-style-type: none"> Authority be granted to enter into a release agreement setting out the terms of the City's consent to the deletion of the Restriction from title to the Property. The appropriate City Officials be authorized and directed to take the necessary action to give effect thereto. |
| Financial Impact | <p>Consideration in the amount of \$125,000.00 (plus HST) will be paid to the City of Toronto in exchange for consenting to the deletion of the Restriction from title to the Property. The proceeds will be contributed to the Land Acquisition Reserve Fund (XR1012) upon closing of the transaction.</p> <p>The Chief Financial Officer and Treasurer has reviewed this DAF and agrees with the financial impact information.</p> |
| Comments | <p>When the Corporation of the Township of North York sold the Property in 1963, the transfer/deed of land contained a covenant on the part of the then-owners not to construct any buildings on the easterly 8 feet of the Property, to assume all obligations for the repair and maintenance of the storm drain and watercourse located on the Property and to save and defend the Township harmless from all claims or demands for the said maintenance and for damage resulting from any flooding that might occur owing to the existence of the drain and watercourse.</p> <p>Weixiang and Xiaobin Li (the "Current Owners") have approached the City to request that the Restriction be deleted from title. Toronto Water has conducted certain site investigations to confirm that the City has no continuing interest in enforcing the terms of the Restriction and therefore do not object to the deletion of the Restriction.</p> |
| Terms | As a condition of consenting to the deletion of the Restriction, the City requires the current owners to acknowledge that any drainage works situated on their Property are private pipes that are their sole responsibility and that the City's consent does not relieve the Current Owners of their obligation to obtain any required building or demolition permits and any required planning, zoning or other municipal approvals in connection with any proposed development or construction on the Property. |

General Conditions ("GC")

- (a) The local Councillor (or local Councillors if the subject property is located on a ward boundary or if the transaction involves an exchange of properties in more than one ward), will be consulted prior to the exercise of delegated Approving Authority by staff for all Acquisitions, Disposals, Land Exchanges and Leases. In the event of a vacancy in the Ward in which the subject property is located, the Mayor's office shall be consulted in the alternative.
- (b) Where approving power has been delegated to staff, the Deputy City Manager, Corporate Services, in consultation with any other applicable Deputy City Manager or the City Manager, may determine that such matter is of such special interest that same should be returned to the relevant Committee and Council for consideration and determination.
- (c) Exercise of delegated authority is subject to all applicable Council policies, statutes or other applicable law.
- (d) Authority to approve financial commitments/expenditures is subject to all amounts being available in an approved budget, or funding being available from third party sources, except for "Strategic Property Acquisitions" as set out in EX44.22 adopted by Council August 25, 26, 27 and 28, 2014, which identifies alternative funding mechanisms subject to additional approval requirements.
- (e) Property interests are to be based on appraised value, and no interest shall be granted at less than market value unless otherwise specifically authorized.
- (f) Authority to approve transactions at less than market value is subject to statutory anti-bonusing provisions.
- (g) Total compensation means the aggregate of all types of payments, including land value, estimated clean-up costs, potential arbitration awards, loss claims, etc., but exclusive of any applicable taxes and registration costs.
- (h) Authority to acquire property is conditional upon provision being made to bring the property into compliance with applicable MOE or other requirements such that it will be fit for its intended municipal purpose, except for property acquisitions of 50M² or less for transit shelter purposes.
- (i) Authority to initiate the permanent road closure process in **A.4** is conditional upon confirmation by the GM of Transportation Services that it is feasible to permanently close the highway.
- (j) Disposal authorities in **A.7** are subject to the property having been declared surplus, and the disposal policy complied with.
- (k) Land exchanges, except for those in **A.8**, may be authorized based on the delegated Approving Authority for disposals in **A.7**.

- (n) Approving Authority in **A.9** Leases (City as Landlord) but not Licences (City as Licensor) is limited to periods (including options/renewals) of less than twenty-one (21) years, as leases of 21 years or more may be authorized based on the delegated Approving Authority for disposals in **A.7**.
- (o) Total compensation in leasing matters where the City is landlord (**A.9**) includes the value of tenant improvements if factored into tenant's rental payments.
- (p) Total compensation in leasing matters where the City is the tenant (**A.10**) includes the value of any tenant improvements to be paid by the City.
- (q) Where options/renewals are included in leases, if the renewal rent is to be determined at a date later than the original approval date, total compensation is to be calculated as though all options are exercised, estimating the renewal rent based on the highest rent payable in the first term of the lease.

- (t) Approving Authority includes authority for amendments within the parameters of the delegated Approving Authority, the cumulative total of which may not exceed the delegated financial limit.

- (cc) Where Approving Authority has been delegated to the Manager level, such authority shall be conditional upon the Manager first having secured the written concurrence of a second Manager within the Real Estate Services Division.
- (dd) Where the City is transacting with a public agency, and such agency requires that an unqualified environmental indemnity be granted by the City, the authority to acquire property includes authority to grant such an indemnity, provided that the Phase I and Phase II environmental site assessments undertaken on behalf of the City have identified no significant environmental impacts or human health threats, with no, or minor action required ("Low Risk").
