The Eglinton Crosstown Light Rail Transit (LRT) is being constructed along Eglinton Avenue, from Weston Road to Kennedy Road. When the LRT opens in 2021, it will pass through the Golden Mile area. There will be five surface LRT stops between Victoria Park Avenue and Birchmount Road.

The City of Toronto Planning Division is undertaking the **Golden Mile Secondary Plan (GMSP) Study** in advance of the opening of the Eglinton Crosstown LRT. The intent of this Study is to develop a vision and planning framework to guide future development of the Golden Mile area.

The Study proposes to enhance the existing street network and improve connectivity in the broader area. Several infrastructure improvements (big moves) are proposed, including the potential reconfiguration of O'Connor Drive at Victoria Park Avenue.
