## Road Reconstruction and Sidewalk construction on Castlefield Avenue from Strathnairn Avenue to Kincort Street

**Expected Start Date: August 2019**

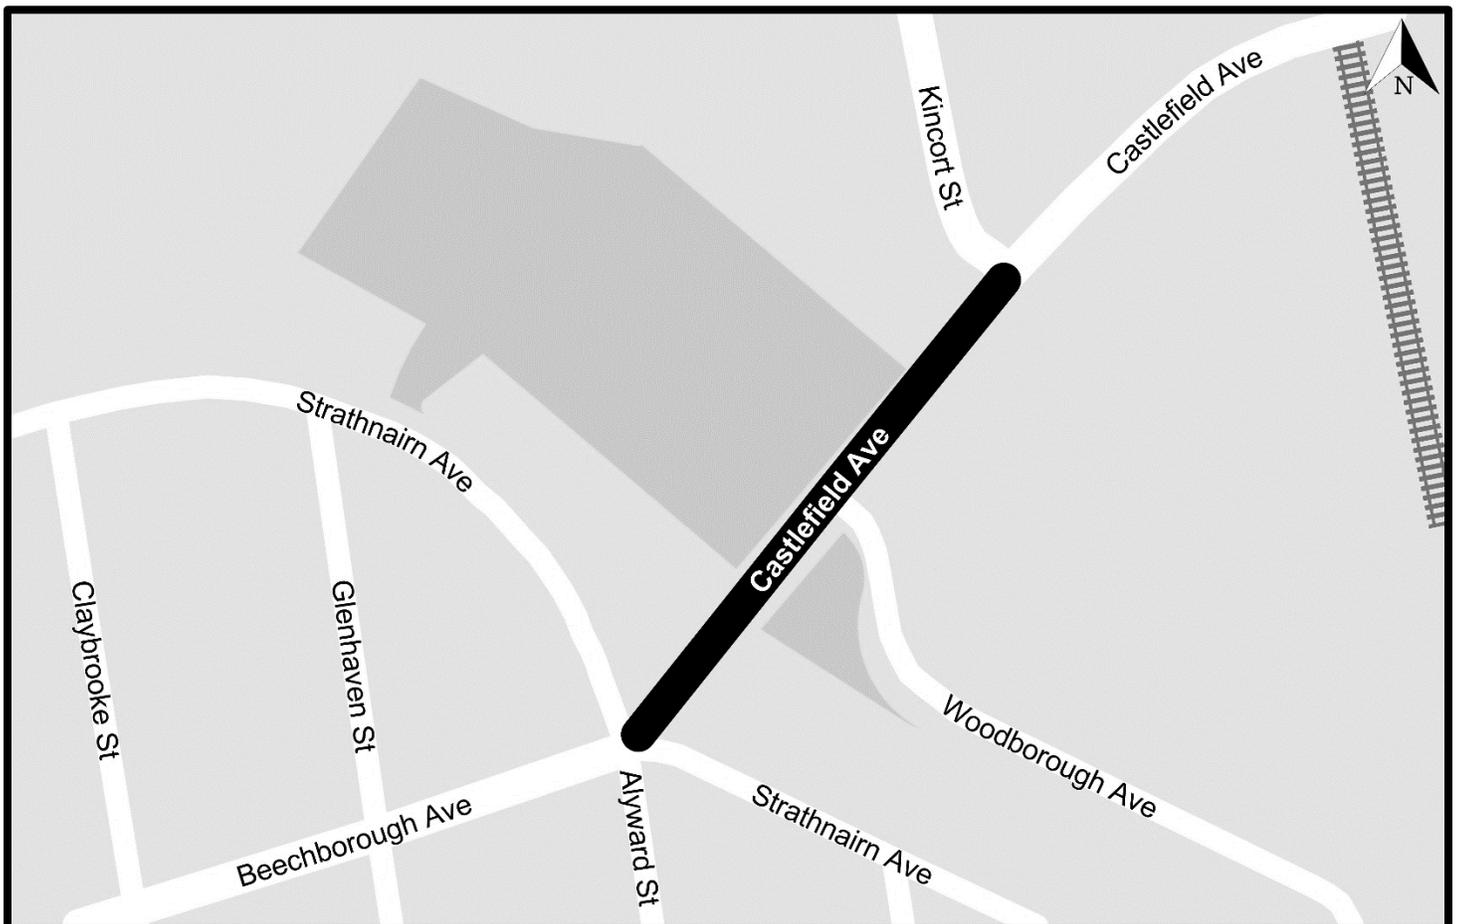

**Expected End Date: December 2019**

*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to reconstruct Castlefield Avenue from Strathnairn Avenue to Kincort Street. Our inspection of this road shows that it requires reconstruction. A new sidewalk will be installed on both sides of the road.

This work is part of the Council-approved 2019 Capital Works Program to renew aging city roads and sidewalk for current and future needs.

### MAP OF WORK AREA

## WHAT TO EXPECT BEFORE CONSTRUCTION

- Work crews will mark the locations of underground utilities, such as gas, water and cable so that the construction work does not interfere with these utilities.
- Affected properties will receive a Construction Notice approximately two weeks before work begins with more information about the work.
- Work in the boulevard in front of homes or businesses is expected. This work includes removing and replacing driveways and grassed boulevards, where necessary.

	<p><b>Accessible Accommodation:</b> Residents who require accommodation (level entry, longer notice, etc) must contact the <b>Project Manager</b> to arrange for access during the construction period.</p>
	<p><b>Important information for owners of sprinkler systems / heated driveways and private landscaping features.</b> Property owners should remove items located within City property limits (boulevard) to avoid damage.</p> <p>This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the <b>Project Manager</b> listed below.</p>
