## Construction on Bloor Street West from Bathurst Street to Spadina Avenue

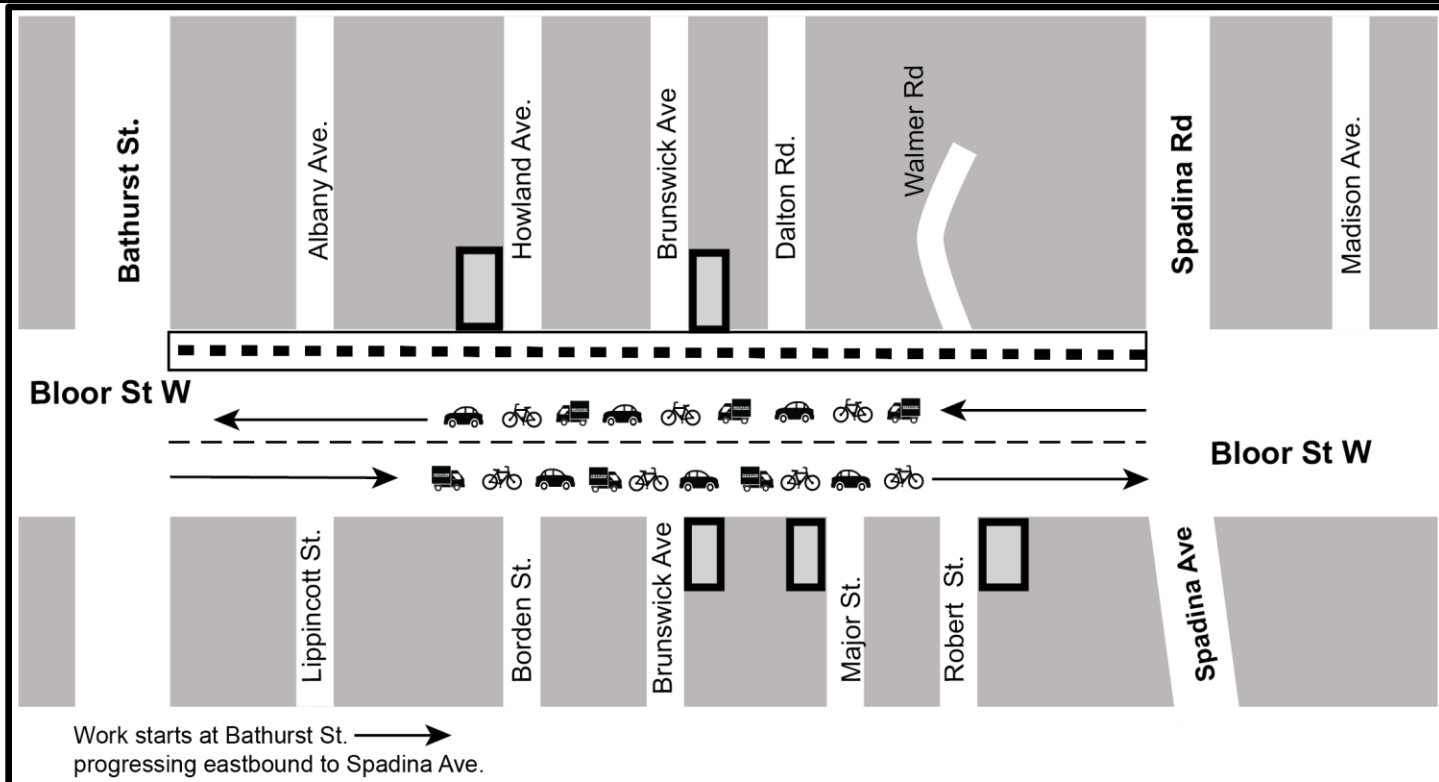

Contract: 19ECS-TI-04SP

Expected Start Date: Week of May 20, 2019 Expected End Date: December 2019

\*Timelines are subject to change and future notice will be provided.

The City of Toronto will replace the 142-year-old watermain and the City-owned portion of substandard water services, on Bloor Street West between Bathurst Street and Spadina Avenue. The project will also involve: replacing the sidewalks, constructing permanent cycling facilities, streetscaping and installation of five new parkettes on side streets (see map).

### MAP OF WORK AREA

#### Legend

Work Zone

1 Shared lane in each direction throughout work zone

Parkettes

**Note:** The location of the work zone will change throughout the construction. 1 shared lane in each direction will be maintained throughout the project .

## WHAT TO EXPECT DURING CONSTRUCTION

	<p><b>Traffic Management:</b> Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should continue to obey all posted traffic signage. <i>*Please note that timelines are subject to change.</i></p> <ul style="list-style-type: none"> <li>• <b>There will be one shared lane in each direction for vehicles and bicycles through the work zone</b></li> </ul>
	<p><b>Parking:</b> There will be NO parking on Bloor Street West between Spadina Avenue and Bathurst Street during this construction. Vehicles will be towed Please contact parking control for the location of your vehicle at <b>416-808-2222</b>.</p>
	<p><b>Work Hours:</b> Work will take place from 7 a.m. to 11 p.m., Monday to Friday and from 9 a.m. to 7 p.m. on Saturdays or Sundays as required.</p>
	<p><b>Road and Sidewalk Access:</b> In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p>
	<p><b>Cyclists:</b> During construction the bike lane will be temporarily removed through the work zone. Signs for cyclists will be posted directing them to share the one lane of eastbound and westbound traffic lanes through the work zone. <b>Cyclists should consider Dupont Street or Harbord Street as alternative routes during construction.</b></p>
	<p><b>Transit Service:</b> This project will affect travel times on the 300 Bloor-Danforth route that travels overnight along Bloor Street West. Visit <a href="http://ttc.ca">ttc.ca</a> for accurate schedule</p>
	<p><b>Businesses:</b> Bloor Street West businesses will be open throughout construction. All are welcome!</p>
