Road Resurfacing in Thorncrest Village

Contract: 18ECS-TI-02LR

Expected Start Date: May 6, 2019

Expected End Date: June 30, 2019

**Timeline is subject to change. Future notice to be provided.*

The City of Toronto will resurface local roads in Thorncrest Village this spring. Our inspection of the roads show that they need repaving to bring them to a state of good repair.

The following roads will be resurfaced (see map below):

- **Plumbstead Court** – from Sir Williams Lane to Plumbstead Court Cul-de-Sac
- **Pheasant Lane** – from Rathburn Road to Pheasant Lane
- **The Wynd** – from Rathburn Road to Thorncrest Road
- **Northolt Court** – from Islington Avenue to Northolt Court Cul-de-Sac
- **Sir Williams Lane** – from Twyford Road to Plumbstead Court
- **Sir Williams Lane** – from Thorncrest Road to Thorncrest Road

This work is part of the Council-approved 2018 Capital Works Program to renew aging city roads and sidewalks for current and future needs.

MAP OF WORK AREA

WORK DETAILS

The City's contractor will:

- Dig up the road surface
- Re-align maintenance holes and catch basins
- Repair driveways and culverts as required
- Re-grade ditches along the side of the road
- Repave the road surface

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. We appreciate your patience.
- The City will not be responsible for damage to any privately owned items on City property.

	<p>Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday, with work after hours and on weekends as required.</p>
	<p>Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work zone. Access for emergency vehicles will be maintained at all times.</p> <p>Driveway Access: The contractor will notify you of any temporary restrictions to your driveway access. If your property has two entrances, one entrance will be kept open at all times.</p>
	<p>Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Some of these efforts include adding Local Access signs, revising traffic signal times. Road users should expect delays and increased traffic on nearby main and side streets.</p> <p>Traffic on the streets mentioned above will be reduced to one lane when construction work is taking place.</p>
	<p>Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. If your vehicle is moved, please contact parking control for its location at 416-808-2222.</p> <p>In the event you receive a traffic ticket for on-street parking during this period of construction, you may choose to dispute your ticket following the process listed on the reverse side of the parking infraction notice. <i>You may use this notice as part of your defence for parking consideration during construction; however, the Project Manager does not have the authority to cancel any parking tickets.</i></p>
	<p>Important information for owners of sprinkler systems / heated driveways and private landscaping features. Property owners should remove items located within City property limits (boulevard) to avoid damage.</p> <p>This includes items such as landscaping (plants and pavers), decorative objects, sprinkler systems or heated driveways. If you have a sprinkler system or heated driveway, please contact the Project Manager listed below.</p>
	<p>Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. <i>Please ensure that you label your bins with your address.</i></p>
	<p>Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed from public and private property during construction will be replaced. Lawn seeding and/or laying of sod will be done as needed during ideal growing seasons only - in the spring (April to June) and fall (September to October).</p>
