## Sanitary Trunk Sewer Rehabilitation on Lawrence Avenue East and Beechgrove Drive from Atkinson Avenue to Satok Terrace

**Contract: 16ECS-LU-02TT**  
**Start Date: June, 2017**  
**Permanent Restoration: April-May, 2019**  
*\*Content/dates subject to change.*

This notice provides an update on the work the City is doing to rehabilitate a section of the Highland Creek Sanitary Trunk Sewer (STS) on Lawrence Avenue East and Beechgrove Drive from Atkinson Avenue to Satok Terrace. The project involves rehabilitating a 20 metre deep and 2100 mm diameter sewer pipe by installing new pipe liners inside the existing pipe.

### PROJECT STATUS

As communicated previously, the Contractor completed all below grade and in-sewer works including installing the pipe-lines and back-filling the shafts.

Approximately by mid May 2019, the City's Contractor will complete the following work:

- Rehabilitate one maintenance hole at Satok Terrace and Beechgrove Drive.
- Permanently restore sidewalks, roads, curbs and sodded areas affected by construction work.
- Remove all temporary sidewalks including permanently removing the temporary sidewalk on the west side of Beechgrove Drive.
- These activities are weather dependant; therefore, delays may occur.

**Night work** is needed for crews to remove by-pass pipes and to restore the road at the Lawrence Avenue East and Beechgrove Drive intersection. This work is tentatively planned to take place between April 16<sup>th</sup> and 20<sup>th</sup> and will last 1 to 3 nights in a row. Expect lane closures and traffic delays during this work.
