**Description:**

Toronto Building is committed to enhance the quality of life in the City of Toronto for all residents, businesses and visitors, through superior services delivered with professionalism, honesty and integrity while enhancing and beautifying communities where people live, work and play. As stewards of Toronto's built environment, the Program will ensure the construction, renovation and demolition of buildings achieves the health, safety, accessibility, conservation and environmental provisions of the Building Code Act and other applicable law. Toronto Building will champion the understanding and application of Building regulations supporting innovation and creation of safe building standards and requirements. We provide excellence in City services through innovative leadership, responding to all members of the public, the development community, other City Programs, Agencies, Boards, Commissions and the Council of the City of Toronto.
