WHAT TO EXPECT DURING CONSTRUCTION

You may experience dust, noise and other inconveniences. The City will make efforts to reduce the impacts. The City will not be responsible for damage to any privately-owned items on City property.

	Work Hours: Work will take place from 7 a.m. to 7 p.m., Monday to Friday with work after hours and on weekends as required.
	Driveway Access: The contractor will notify of any temporary restrictions to driveway access. If a property has two entrances, one entrance will be kept open at all times.
	Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets.
	Accessible Accommodation: Residents who require accommodation (level entry, longer notice, etc.) must contact the Field Ambassador to arrange for access during the construction period.
	Garbage & Recycling: Please follow your normal routine. If required, the contractor will move bins to an appropriate location and return them. Please ensure bins are labeled with your address.
	Pedestrians: Please refer to the pedestrian map above for open sidewalks
	Transit: This project continues to affect travel times of a number of TTC and MiWay routes to and from Kipling Subway Station. Visit ttc.ca or mississauga.ca/portal/miway for schedule information.
	Village of Islington BIA and Local Businesses are open throughout construction. All are welcome to dine, shop and play!
