*\*Timeline is subject to change. Future notice to be provided.*

The City of Toronto is planning to resurface the road on York Mills Road from Leslie Street to Don Mills Road. Our inspection of the road shows that it needs repaving and sections of damaged curb and sidewalk need to be replaced to bring them to a state of good repair.

This work is part of the Council-approved 2019 Capital Works Program to renew aging city roads and sidewalk for current and future needs.
