

## AGENDA

### Meeting Three - City/TTC Expert Advisory Panel

#### Topic: Integrated Mobility

July 9, 2019 – 4:30PM to 6:30PM  
Munk School of Global Affairs & Public Policy  
1 Devonshire Place, Room 208N, Toronto, ON

**Meeting Objective:** Provide input and advice to City Manager and TTC CEO on best practices, risks, and opportunities for transit integration (fare, service, system integration etc.) and broader mobility (bike networks, bike and ride sharing, goods movement, emergent mobility technologies, etc.) in the city and region.

4:30-4:40pm **Welcome and Recap of Previous Meeting (Enid Slack)**

4:40-4:55pm **Presentation on Integration and Mobility (City of Toronto and TTC)**

*Material: Presentation to be provided.*

4:55-6:20pm **Discussion (All)**

1. *Given recent proposed changes to subway ownership in Toronto, how can the City and TTC still advance overall transit and mobility integration (e.g. integration between systems and across modes of travel)? How can they mitigate risks to system integration (e.g. connections within existing TTC network)?*
2. *Which systems, cities, and best practices should the City and TTC study in order to improve integrated mobility? Why are those models effective? What specific aspects of them could be applied in Toronto and the region?*

6:20-6:30pm **Wrap-Up and Next Steps (Enid Slack)**
