Dufferin Street Bridge Rehabilitation under the Beltline Trail

Contract: 19ECS-TI-11BE
Expected Start Date: July 2019*
Expected End Date: November 2019*
**Timeline is subject to change.*

The City of Toronto will rehabilitate the Dufferin Street Bridge under Beltline Trail, between Roselawn Avenue and Hopewell Avenue, starting in July. This work will ensure that the bridge meets today's standards and remains safe for vehicles and pedestrians into the future. The project is part of the Council-approved 2019 Capital Works Program.

MAP OF WORK AREA

WHAT TO EXPECT DURING CONSTRUCTION

- You may experience dust, noise and other inconveniences. The City will make efforts to reduce impacts. We appreciate your patience.

	Work Hours: Monday to Friday: 7 a.m. to 7 p.m., Saturdays: 9 a.m. to 7 p.m. Sunday and Civic/Statutory Holidays: No work
	Road and Sidewalk Access: In order to complete the work in a safe manner, there will be road and sidewalk restrictions within the construction work area. Stage 1: Pedestrian access along the east side of Dufferin Street will be restricted under the Beltline Trail. Pedestrians are advised to cross the road using the bridge. Stage 2: Pedestrians access along the west side of Dufferin Street will be restricted under the Beltline Trail. Pedestrians are advised to cross the road using the bridge. Stage 3: Construction over the middle lanes. Both the east and west sidewalks will be accessible. At all times during construction, a 1.5m pedestrian and cyclist corridor will be maintained on the Beltline Trail over Dufferin Street, and the access to the Dufferin stairways will remain open.
	Traffic Management: Efforts have been made to manage traffic in the area for the safety of workers, road users and residents. Road users should expect delays and increased traffic on nearby main and side streets. The traffic management plan is shown in a table on page one of this Construction Notice.
	Parking: Parking in the active work zone is not permitted due to space requirements for construction equipment and materials. If your parked vehicle affects the construction work, it will be re-located with no charge to the owner. Please contact parking control for the location of your vehicle at 416-808-2222 .
	Restoration: The construction work area will be restored with sod and/or asphalt where required. Interlocking bricks, flagstone on a granular base, or other similar features that are removed during construction will be replaced.
