

TORONTO Office of the Chief of Staff

City Manager's Office

The City Manager is the most senior official in the City's administrative structure and is accountable to City Council for the policies and programs delivered by members of the Toronto Public Service. The City Manager is assisted by three Deputy City Managers and the Chief Financial Officer/Treasurer. In addition, the City Manager's Office is comprised of: the Office of the Chief of Staff, People, Equity & Human Rights, Strategic & Corporate Policy, Strategic Communications, Transformation Office and Toronto Office of Partnership.

The Office of the Chief of Staff supports the day to day operation of the City Manager's office and the daily work of the City Manager. This division also focuses on financial and administrative oversight, management of emerging corporate issues, agenda coordination, municipal performance measurement, benchmarking and best practices initiatives. The Office also includes the Toronto Office of Partnerships (TOP) which provides a one-window service centre for those seeking partnerships with the City. TOP works with other City Divisions to create and enhance partnerships with businesses, not-for-profit organizations, community groups, residents' associations and individuals.
