City/TTC Expert Advisory Panel Meeting 6 – Funding/Implementation

September 17, 2019 – 4:30PM to 6:30PM
City Hall, East Tower
23rd Floor, Large Boardroom

Meeting Objectives:

- To finish discussion from Meeting 5 on the key characteristics, features, and/or principles of a funding model to inform the City and TTC on a future state model for transit in the City and GTHA.
- To identify possible strategies, processes, and tactics for implementing a future state model for transit in the City and GTHA.

4:30-4:35pm **Welcome and Recap of Previous Meeting (Enid Slack)**

4:35-5:05pm **Wrap-Up Discussion: Funding (all)**

Are there further comments on how to fund transit in Toronto and the GTHA, including on the potential role of the private sector?

5:05-6:25pm **Discussion (all)**

1. *What steps should be taken in the short-term (coming year) and the medium-term (2-3 years) to implement the ideas discussed in previous Panel meetings? What are the core implementation challenges that need to be overcome?*
2. *Who needs to be involved in implementation? What should the City and TTC role be and how should the City and TTC engage with respective partners?*

6:25-6:30pm **Wrap-Up and Next Steps (Enid Slack)**
