Watermain Replacement on Gilley Road from Garratt Boulevard to Keswick Road

Contract: 19ECS-TI-11LR
Start Date: August 21, 2019
End Date: December 20, 2019
**Timeline is subject to change.*

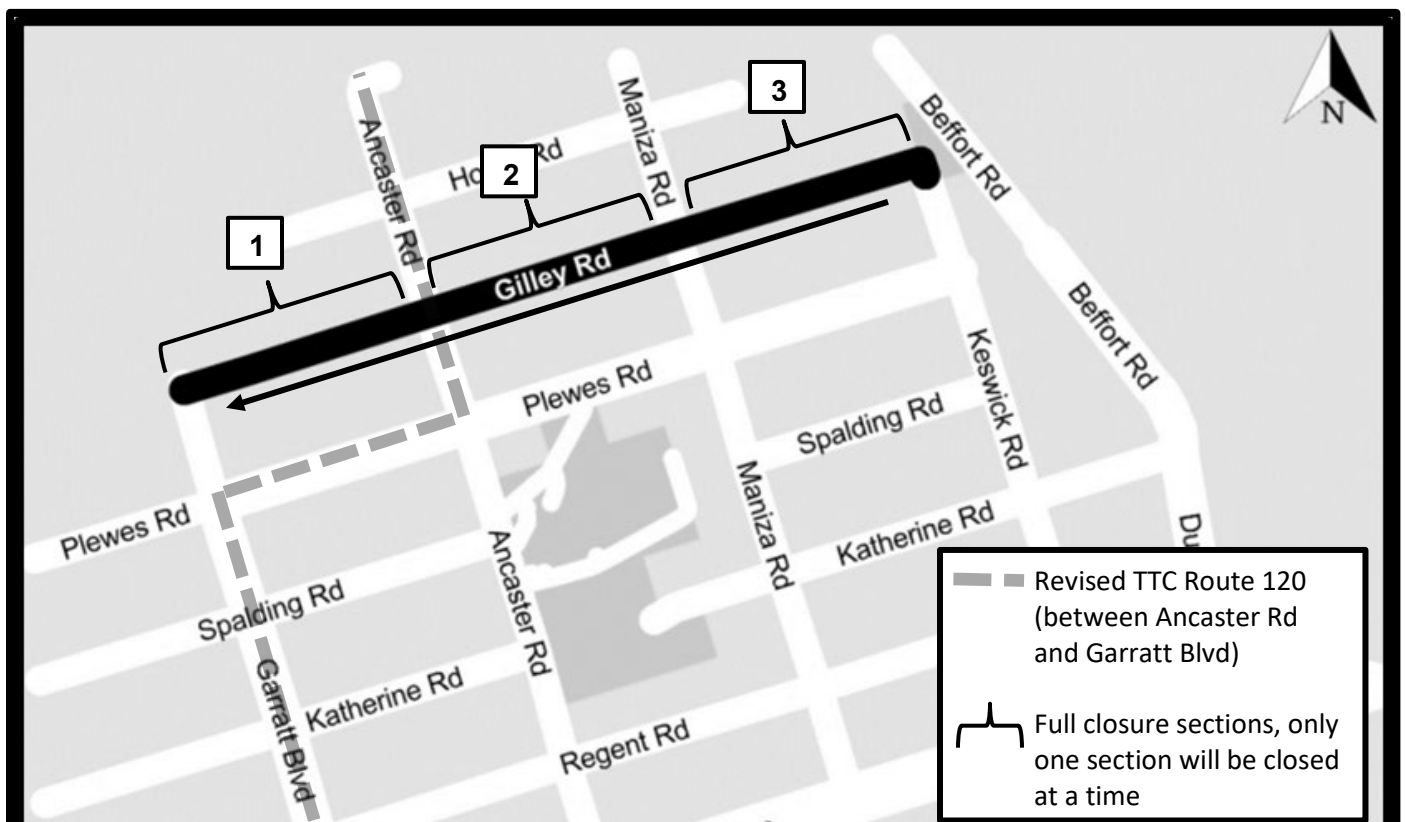

The City of Toronto is replacing the watermain and the City-owned portion of substandard water services on Gilley Road from Garratt Boulevard to Keswick Road.

In August 2019, the City distributed a Construction Impact Notice identifying that Gilley Road would be reduced to one westbound lane during construction. In addition to this, the contractor will fully close Gilley Road in one block sections to improve worker safety and maintain traffic flow in the area. During the block closures, access for local traffic and emergency vehicles will be maintained. Traffic and detour signs will be in place to help you navigate.

What this includes:

- Temporary full closure of Gilley Road between Garratt Boulevard and Ancaster Road (1)
- Temporary full closure of Gilley Road between Ancaster Road and Maniza Road (2)
- Temporary full closure of Gilley Road between Maniza Road and Keswick Road (3)
- Signage will be in place in advance of all temporary closures indicating that the road is closed ahead
- Full closures will be in place during working hours only
- Residents located within the temporary full closure zone will have access to their driveway/property
- Emergency vehicles will have access to any property at all times
- TTC Route 120 will be rerouting from Gilley Road to Plewes Road during the full closure of Gilley Road between Garratt Boulevard and Ancaster Road
