orth Market Report – General Licensing Committee	
ender call went out, closed February 14 th and 3 valid submissions vere received. The Buttcon Ltd./The Atlas Construction Corp. Joint enture placed a bid of \$91.8M, Pomerleau Inc. bid \$97.1M, and WCC onstruction Canada ULC oa. Walsh Canada bid \$98.6M – all exclusive f HST. The bidders were very selective due to the numerous onstruction constraints of the site. he Buttcon Ltd./The Atlas Construction Corp. Joint Venture was the uccessful lowest bidder, yet still requires a budget extension of \$14M "9%) of the original budget plans. Total project cost is now approx. 116M. Once locked in, bid prices cannot be changed and the amount clocked in to the City of Toronto. here have been no changes to the project or planning. The increase is imply a result of market conditions and the cost escalation that has esulted from trade disputes and steel and aluminum tariffs. Average narket increases over the past decade have been about 2% annually, nis past year was between 7-8%. Steel has increased 25% and luminum 10%, though it is still cheaper to purchase in the US as anadian prices still exceed the increases. Some State of Good Repairs ems will be deferred in order to help finance the gap and to support uccess of project. . staff report will be brought forward to the April 23, 2019 General iovernment and Licencing Committee meeting requesting approval or additional funds and to enter into a contract with The Buttcon td./The Atlas Construction Corp. Joint Venture . Q & A will be necluded and information to support the \$14M budget increase. The istory of the project will be provided alongside feedback from armers, vendors, precinct members, the community, local business nd so on. This feedback will make mention of some basic onsiderations such as income generation, foot traffic, parking for usinesses, court services and the overall business plan. upport amongst Councillors appears relatively positive, though letters ddressed to Councillors in support of the North Market project could rove beneficial. 2.	Follow up	New member recruitment	
	Discussion on	Recruitment closed on March 29 2019. There were 36 applicants	
1	Pending Action	overall. Packages are being prepared and details pertaining to the next	
1	Items	steps of the review panel are being finalized, which includes pre-	
		screening. Pending availability, new members should be on-boarded	
		between June and July.	
		The St. Lawrence Hall had a single applicant, to be approved and	
		formalized by the Director of Real Estate & Councillor. To be announced	
		shortly.	
		Farmer's Market and St. Lawrence Neighbourhood Association	
		members have been confirmed.	
1		Welcome package for new members	
1		A welcome package is being put together for all new members to	
		include basic and relevant information on the Market, Market Site, its	
		history & the neighbourhood. Feedback on the welcome package is	
		welcomed. Once completed and approved, will help facilitate new	
~	Diamater	member orientation.	
ຽ.	Planning	Leasing Strategy	
1		A new 2020 leasing strategy is being created which aims to address	
		gaps/inefficiencies, supporting tenants & innovation, supporting a	
		diverse/unique mix, support financial sustainability, encourage	
		community benefit & place-making, update lease terms & conditions	
		et al. The strategy is based on the SLM vision, mission, values and	
		goals. It involves research review, analysis, approach &	
		implementation.	
		• The future vision for the market and vision statement still need to	
		be developed and made more specific to include future	
		meaning/use. Feedback will be received from tenants which can	
		help impart some internal opinion about what that might look like	
		& what to include.	
		 "Ethnic" food category needs wording edit as it could be too easily 	
		misinterpreted. Meant to demonstrate food category	
		management and diverse food offerings.	
		 Methods for tenant performance, gap reduction, helping to 	
		 Methods for tenant performance, gap reduction, heiping to develop rent model, and a triple bottom line are all on plan to be 	
		addressed and implemented.	
		 Who is the authority setting the standard for GROC? Is it a standardized amount? Is this an industry standard? To be 	
		standardized amount? Is this an industry standard? To be	
		determined if research analysis to develop this number is available	
		to SLMPAC. Market rent is the typical determining factor of what a	
_		business can bear in GROC.	
4.	Operations	Permanency of Farmer's Market	
		After having spoken to City Clerks, should it satisfy the Farmer's needs,	
		St. Lawrence Market Management would like to recognize the	
		Farmer's Market history with a proclamation in the form of a	
		permanent plaque affixed to the new North Market.	
		What legal standing if any does this offer the Farmers? The plaque &	
		its wording would be approved by City Council with Mayoral approval.	
		The new North Market does have a section dedicated to the Farmer's	
		Market allotment in its plan. Council would have to be approached to	
		add on and approve any additional 'perpetuity' clauses or legally	
		binding statements.	
5.	Marketing	Consumer Research	
<u> </u>	B		

	Consumer research will be completed by the end of May. Results are	
	expected to be ready for the meeting in June. This Saturday intercept	
	surveys will be conducted –future intercept surveys will also be	
	conducted on a holiday, a Saturday & weekday for diversity in	
	responses.	
	In addition to intercept surveys, blind online surveys will also be	
	conducted to determine food shopping habits and shopping at the St.	
	Lawrence Market Complex by groups within Toronto and from the	
	GTA.	
	Finally, shop-alongs will be conducted to help map out regular	
	shopping routes and visitor habits once at the Market – Both for the	
	Farmers Market and the South Market.	
	Ultimately the Consumer Research will help to inform the marketing	
	and event strategies and help better develop the budget for new	
	marketing & advertising methods.	
	The final Consumer Research report will be distributed & presented	
	once available.
