Watermain Replacement on on Cluny Drive and Crescent Road

Contract: 18ECS-TI-06LR

Original Start Date: November 12, 2018

NEW End Date: October 11, 2019

**Timeline is subject to change.*

In November 2018, the City of Toronto started the replacement of the watermain on Cluny Drive and Crescent Road. The watermain and substandard water services have been replaced on Cluny Drive and Crescent Road.

The contractor has completed temporary restoration of the work zone; permanent restoration work will start as soon as the utility locates are available.

We recognize that a project of this nature is disruptive to the community and apologize for the inconveniences caused by construction.

WORK DETAILS

To date, the following work has been completed:

- New watermain installed.
- Substandard water services replaced.
- Connected water service to the new watermain.
- Completed temporary restorations.

Starting in September, the contractor will:

- start all permanent restorations.
