## EMERGENCY REPAIR WORK

### East Don Sanitary Trunk Sewer

**Start Date: October 7, 2019**

The City of Toronto is undertaking emergency repair work to protect Toronto Water's East Don Sanitary Trunk Sewer, located in the East Don Parkland adjacent to the Don River East Branch and the East Don Trail. The closest intersection is Finch Avenue East and Leslie Street, with the project location south of Finch Avenue East and west of Alamosa Drive. The emergency repair work to the sanitary trunk sewer is critical to protect the infrastructure from possible failure.

For pedestrian safety during construction, the East Don Trail is now closed. Please do not enter the trail during construction.

The City is determining the extent of work required and will provide a follow-up notice to the community with construction work and trail closure timelines.

### WORK DETAILS

In order to complete the emergency repair work, crews will need to do the following:

- Close the East Don Trail walking path/trail from the entrance on the south side of Finch Avenue East to the entrance through Alamosa Park near Alamosa Drive and Gatehead Road. This closure is required for pedestrian safety during construction.
- If any brush or tree removal is necessary, once the work is completed, crews will restore the surrounding vegetation, as needed. All work will be done according to seasonal planting guidelines and is being carried out in consultation with Toronto and Region Conservation Authority and the City of Toronto's Parks, Forestry and Recreation division.

**A map of the work area can be found on the back page.**

### WHAT TO EXPECT DURING CONSTRUCTION

	<p><b>Work Hours:</b> Work will be completed in accordance with the City's Noise By-law between 7:00 am to 7:00 pm, Monday to Friday, with occasional work after hours and on weekends if required.</p>
	<p><b>Pedestrian Access:</b> To complete the work safely, pedestrian restrictions will occur. The East Don River Trail will be closed during the work from the north side (40 metres south of Finch Avenue East) toward south side at Alamosa Park. Temporary fencing and signs will be erected around the construction site to protect the public.</p>
