

We are committed to be a city that protects and improves quality of life for all including safety, health, and social and economic wellbeing and inclusion.

Quality of Life Results – What Council and the public will experience*

- The impacts of poverty on Toronto’s residents are mitigated
- There are opportunities for all, including Toronto’s diverse Indigenous and equity-seeking communities
- All residents have a sense of belonging, and live in healthy, diverse, culturally rich, and cohesive communities
- Individuals and communities feel safe and secure
- A vibrant and growing economy that helps businesses thrive and more fully employs an expanding workforce
- The City continuously invests in and delivers safe and sustainable infrastructure that enhances the quality of life of the people of Toronto

(*Achieving Quality of Life Results will require partnerships with other orders of government, the private sector, and non-profit organizations.)
