## New Sidewalk Construction on Caledonia Road North of Castlefield Avenue

**Contract #: 18ECS-TI-103LR**

**Original Start Date: May 13, 2019**

**Revised Start Date: October 15, 2019**

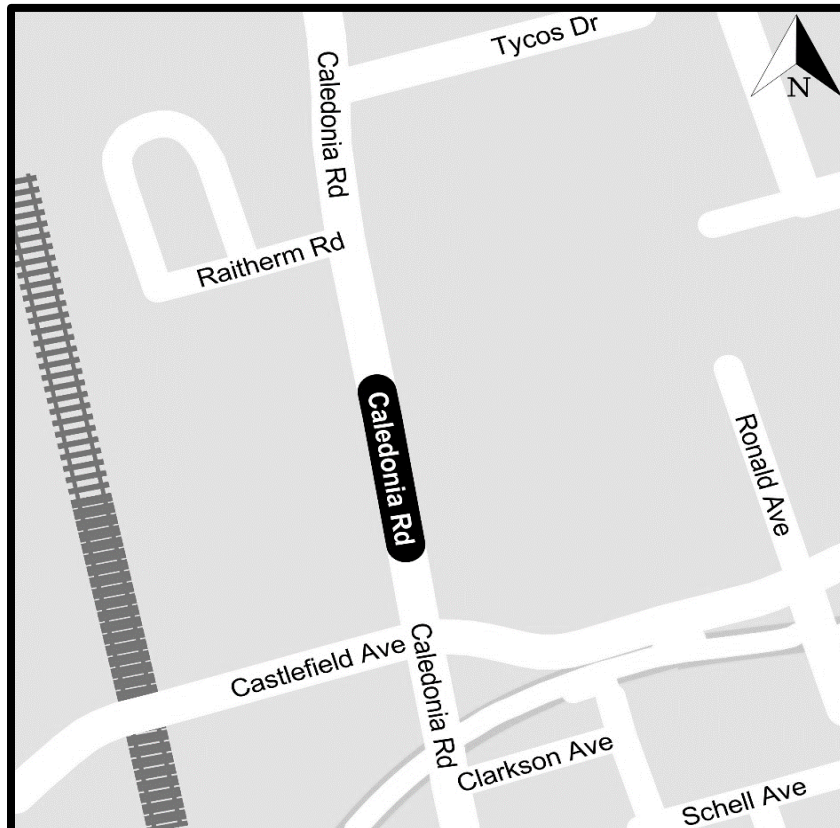

**Expected End Date: November 8, 2019**

*\*Timeline is subject to change.*

In May 2019, the City of Toronto was to construct 95 metres of new sidewalk on the west side of Caledonia Road from 110m North of Castlefield Avenue to 205m North of Castlefield Avenue, to complete the missing sidewalk link. The work also involved replacing the existing fire hydrant with a new fire hydrant. This work was delayed due to watermain relining work in the area from another contract. That work has been completed. In mid-October work crews will start the sidewalk installation and fire hydrant replacement.

This work is part of the Council-approved 2018 Capital Works Program to provide sidewalks for current and future needs.

### MAP OF WORK AREA

## WORK DETAILS

The City's contractor will:

- Mobilize preparing for sidewalk construction
- Replace Fire Hydrant
