<b>Purpose</b>	To obtain authority for the City to consent to an application submitted by Scout Condos Gp Inc. and Scout Condos Limited Partnership (the "Developer") to the Committee of Adjustment for minor variances to the applicable zoning bylaw. The proposed consent will only be provided by the City in its capacity as the owner of the Existing Lane, as defined below, which bisects two properties owned by the Developer upon which a condominium will be built.	
<b>Property</b>	A portion of the public lane abutting 1791 & 1789 St Clair Ave West, immediately south of St Clair Avenue West, legally described as the Lane on Plan 141 Toronto North of Carlton St (AKA Connolly St); City of Toronto, as shown as Part 3 on Sketch No. PS-2019-006 (the "Existing Lane"), also shown on Appendix "A".	
<b>Actions</b>	<ol style="list-style-type: none"> <li>1. Authority is granted for the City to consent, in its capacity as owner of the Existing Lane, to an application for minor variance to the Committee of Adjustment by the Developer.</li> <li>2. The appropriate City Officials are authorized and directed to take the necessary action to give effect thereto.</li> </ol>	
<b>Financial Impact</b>	There is no financial implications resulting from the consent. The Developer is assuming all risk, cost and expense associated with the minor variance application. The Chief Financial Officer & Treasurer has reviewed this DAF and agrees with the financial impact information.	
<b>Comments</b>	The Developer is seeking to acquire ownership of the Existing Lane, which is strategically located between 1791 & 1789 St Clair Ave West, in order to develop a 12-storey condominium project over the consolidated land parcel. In exchange for acquiring ownership of the Existing Lane from the City, the Developer proposes to build a replacement lane, to the City's specifications, on the lands shown as Part 2 on Sketch No. PS 2019-006 and then transfer ownership of same to the City (the "Replacement Lane"). As part of the overall transaction, the City will also acquire ownership of lands required for the St. Clair Transportation Master Plan, as shown as Part 1 on Sketch No. PS-2019-006. A land exchange agreement is currently being negotiated between the City and the Developer but has not yet been signed by either party.	
<b>Terms</b>	The Developer has requested that the City consent to its application with the Committee of Adjustment for a number of minor variances to the zoning bylaw related to reduced parking, building setbacks, and built form.  The letter of consent to be provided to the Developer will expressly state that the City's consent is being given solely in the City's capacity as land owner and that by giving such consent, the City shall not be deemed to support or endorse the planning merits of the Developer's applications nor to fetter City Council's discretion in any way. The Developer shall be required to assume all risk, cost and expense associated with the application.
