**Contract: 19ECS-TI-102LR**

**Start Date: November 2019**

*\*Timeline is subject to change.*

The City of Toronto is planning to reconstruct the laneway south of Bedford Park Avenue and east of Jedburgh Road from Unsworth Avenue to Jedburgh Avenue and laneway west of Yonge Street and South of Bedford Park Avenue. Our inspection of the laneways show that they need reconstruction to bring them to a state of good repair.

This project is part of the Council-approved 2019 Capital Works Program to renew aging city roads and sidewalk for current and future needs.
