<b>Comments</b>	<p>The properties at 14 and 30 Woodrow Ave were acquired by the Toronto Transit Commission ("TTC") in 2004 and 2009, respectively as part of the TTC's Value Protection Program. This program was initiated in 2002 for owners whose properties were adjacent to the Danforth Garage at 1627 Danforth Ave due to contamination emanating from the Garage and wished to sell their property at that time or in the future. TTC has declared the properties surplus and is transferring the operational management back to the City. Due to liability from potential environmental concerns on these two sites, TTC will continue to retain ownership of the two properties. The City and TTC will enter into an MOU to assume specific responsibilities with respect to these properties. The properties at 14 and 30 Woodrow Ave are currently both vacant.</p> <p>14 and 30 Woodrow Ave are 2 semi-detached residential units located near the southeast corner of Danforth Ave and Coxwell Ave. The area of each property is approximately 1,314 ft<sup>2</sup>. The properties are an opportunity for the City to provide affordable rental housing for lower-income families in partnership with the non-profit sector. AHO has advised that funding is available to rehabilitate the properties so it can be leased out to a non-profit organization on a long term basis (50 Years Less a day). AHO is to preparing an RFP to identify which non-profit organization will operate the houses. Under terms of the lease, the chosen housing provider will be responsible for ongoing costs to operate and maintain the properties.</p> <p>A circulation to the City's Divisions and Agencies was undertaken to ascertain whether or not there is any other municipal interest in the Properties. No other municipal interest was expressed. The Technical Review Committee has reviewed this matter and concurs.</p>

In the event of a vacancy in the Ward in which the subject property is located, the Mayor's office shall be consulted in the alternative.
- (b) Where approving power has been delegated to staff, the Deputy City Manager, Corporate Services, in consultation with any other applicable Deputy City Manager or the City Manager, may determine that such matter is of such special interest that same should be returned to the relevant Committee and Council for consideration and determination.
- (c) Exercise of delegated authority is subject to all applicable Council policies, statutes or other applicable law.
- (d) Authority to approve financial commitments/expenditures is subject to all amounts being available in an approved budget, or funding being available from third party sources, except for "Strategic Property Acquisitions" as set out in EX44.22 adopted by Council August 25, 26, 27 and 28, 2014, which identifies alternative funding mechanisms subject to additional approval requirements.

- (f) Authority to approve transactions at less than market value is subject to statutory anti-bonusing provisions.
- (g) Total compensation means the aggregate of all types of payments, including land value, estimated clean-up costs, potential arbitration awards, loss claims, etc., but exclusive of any applicable taxes and registration costs.
- (h) Authority to acquire property is conditional upon provision being made to bring the property into compliance with applicable MOE or other requirements such that it will be fit for its intended municipal purpose, except for property acquisitions of 50M<sup>2</sup> or less for transit shelter purposes.
- (i) Authority to initiate the permanent road closure process in **A.4** is conditional upon confirmation by the GM of Transportation Services that it is feasible to permanently close the highway.
- (j) Disposal authorities in **A.7** are subject to the property having been declared surplus, and the disposal policy complied with.

- (n) Approving Authority in **A.9** Leases (City as Landlord) but not Licences (City as Licensor) is limited to periods (including options/renewals) of less than twenty-one (21) years, as leases of 21 years or more may be authorized based on the delegated Approving Authority for disposals in **A.7**.

- (p) Total compensation in leasing matters where the City is the tenant (**A.10**) includes the value of any tenant improvements to be paid by the City.
- (q) Where options/renewals are included in leases, if the renewal rent is to be determined at a date later than the original approval date, total compensation is to be calculated as though all options are exercised, estimating the renewal rent based on the highest rent payable in the first term of the lease.
- (r) Total compensation in leasing matters where the City is landlord (**A.9**) or tenant (**A.10**) is to be calculated from the date of approval pursuant to this delegation (ie. first allowing for the expiry of any prior approvals, whether by Council or a delegated authority).
