## Laneway Reconstruction North of Davenport Road West of Avenue Road

**Contract: 19ECS-TI-08LR**

In May 2019, the City of Toronto distributed a Pre-Construction Notice about planned reconstruction of the laneway north of Davenport Road and west of Avenue Road. At the time, the expected start date was August 2019 with an anticipated end date of December 2019.

The City was contacted by a private-property owner with concerns about our project. There are some design matters and structural elements that need to be defined before work can proceed. As a result, this project has been deferred until further notice.

We apologize for the delay in this work and appreciate your patience. The City will distribute a Construction Notice when the project is re-scheduled.
