## Intersection Improvements at Ryding Avenue and Cobalt Avenue

**Contract: 19ECS-TI-12LR**

In October 2019, the City of Toronto notified you about planned intersection modifications at Ryding Avenue and Cobalt Avenue.

As warmer temperatures are needed to complete this type of construction, the project will now start in the spring of 2020. We apologize for the delay in this work and we appreciate your patience. The City will distribute a Construction Notice before the work starts in the spring.
