Laneway Reconstruction to Calgie Lane, Callaghan Lane and Drovers Lane

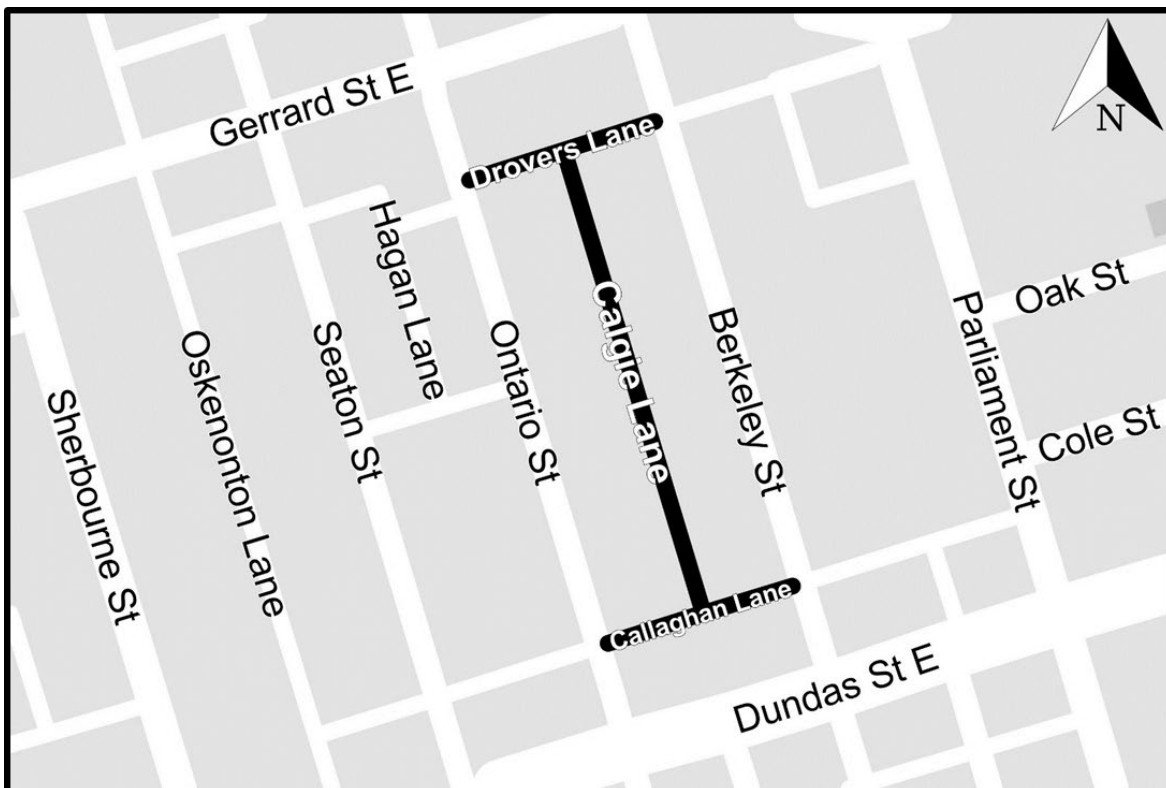

Contract: 19ECS-TI-08LR

In September 2019, the City of Toronto distributed a Construction Notice about planned reconstruction of Calgie Lane, Callaghan Lane from Ontario Street to Berkeley Street and Drovers Lane from Ontario Street to Berkeley Street.

The City is taking more time to find adequate parking solutions to decrease the impact of the laneway construction on the community. As a result, this project has been deferred until further notice.

The City will distribute a Construction Update Notice when the project is re-scheduled.
