## Road Resurfacing on Brunswick Avenue

**Contract: 19ECS-TI-13LR**

**Original Start/End Date: July 22, 2019/ August 31, 2019**

**Revised Start/End Date: Spring 2020**

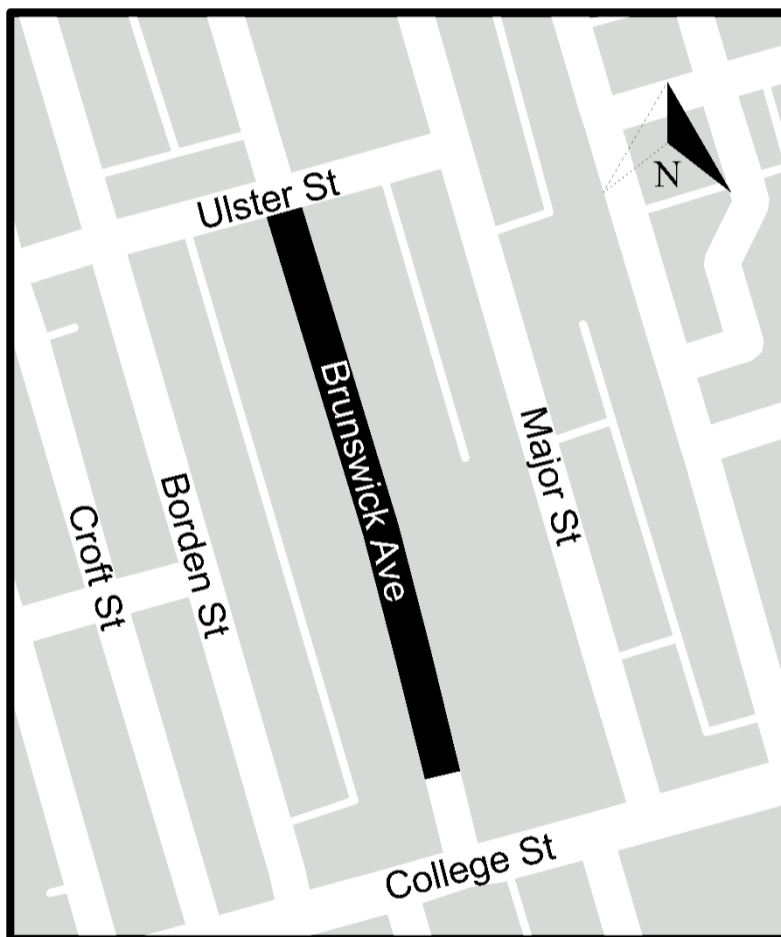

*\*Timeline is subject to change.*

In the summer, the City started road resurfacing on Brunswick Avenue; however, the project did not progress as planned due to scheduling challenges.

The City has worked out a plan with the contractor to complete the remaining work in spring 2020 when conditions are more favourable to complete paving.

In order to make the site safe for the winter shutdown, the City's contractor will fill any open excavations and restore affected driveways. Construction Update #3 will be provided before the work starts again in 2020.
