## Watermain Replacement on Beth Neilson Drive from Pat Moore Drive to Wicksteed Avenue

**Contract: 19ECS-TI-02LR**  
**Start Date: September 16, 2019**  
**Winter Break: December 20, 2019 to January 6, 2020**  
**Expected End Date: July 30, 2020**  
*\*Timeline is subject to change. Future notice to be provided*

In September, the City started replacing the watermain and the City-owned portion of substandard water services on Beth Neilson Drive from Pat Moore Drive to Wicksteed Avenue.

Due to a delay in receiving all underground utility locates, the construction did not progress as planned. As a result, watermain and water service replacement work will continue in January, after the winter break. The contractor will temporarily restore the site once the underground work is complete at the end of February. Road reconstruction will start in April 2020, as warmer weather is required. A Construction Update will be distributed before work starts in April.
