

December 4, 2019,

Watermain Replacement on Breadalbane Street from Yonge Street to Bay Street

Contract: 19ECS-TI-02LR

Start Date: July 23, 2019

Winter break: December 20, 2019 to January 6, 2020

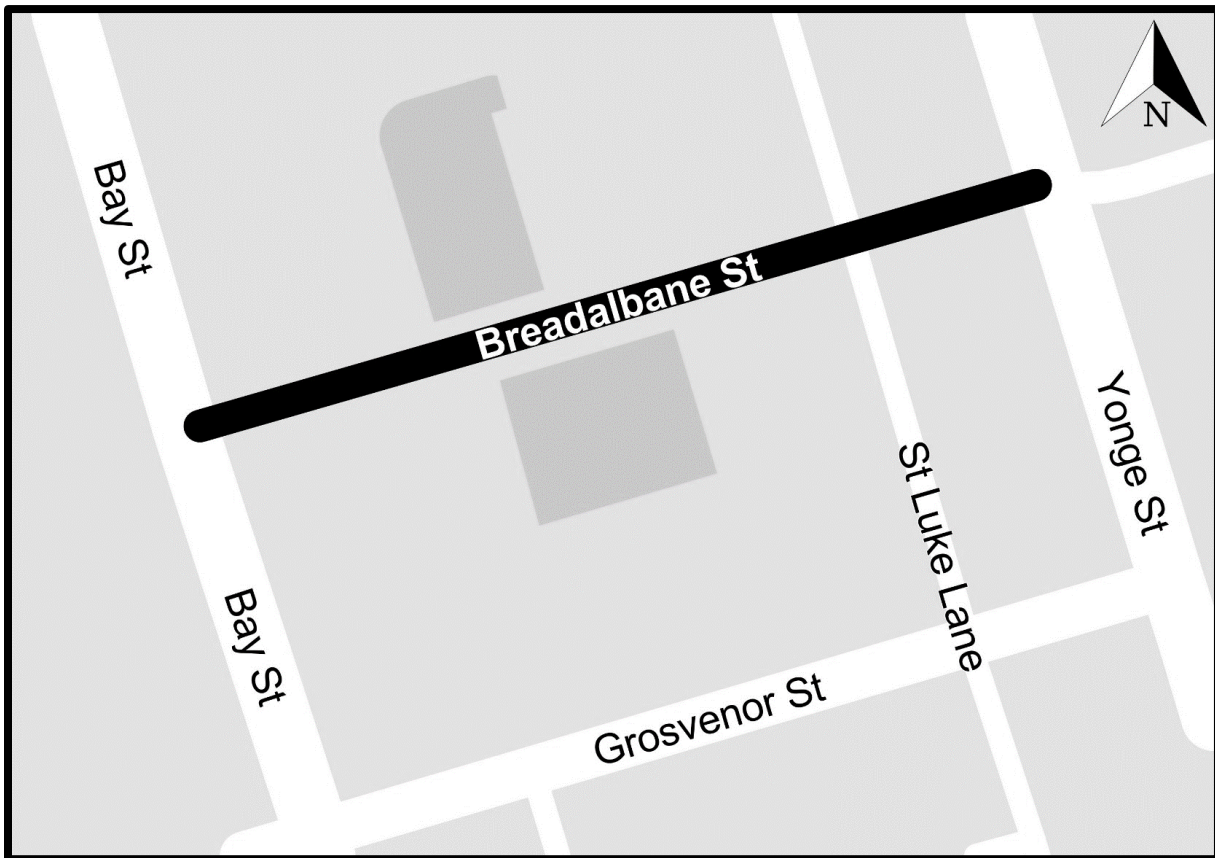

Revised End Date: June 30, 2020

**Timeline is subject to change. Future notice to be provided.*

In September, the City started replacing the watermain and the City-owned portion of substandard water services on Breadalbane Street from Yonge Street to Bay Street.

Due to a delay in receiving underground utility locates and a late start to construction, watermain replacement work on Breadalbane Street will continue in January, after the winter break. The contractor will temporarily restore the site once the work is complete at the end of January 2020. Permanent restoration will take place in April 2020 when weather is more favourable. A Construction Update will be distributed before the work starts in April.
